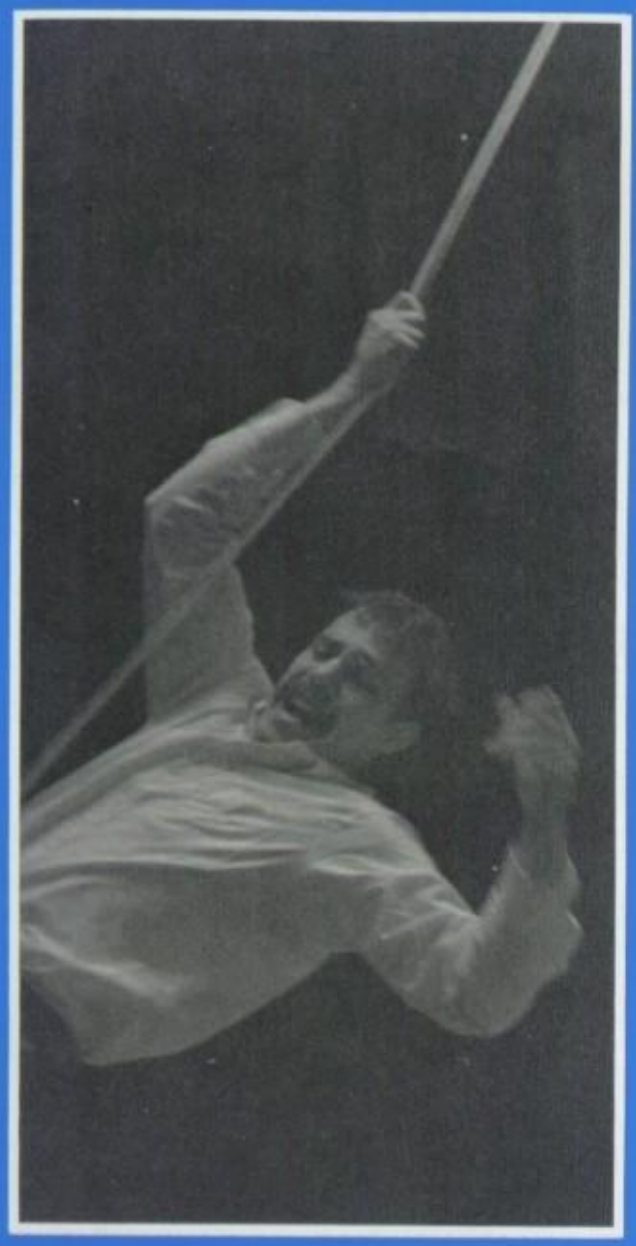
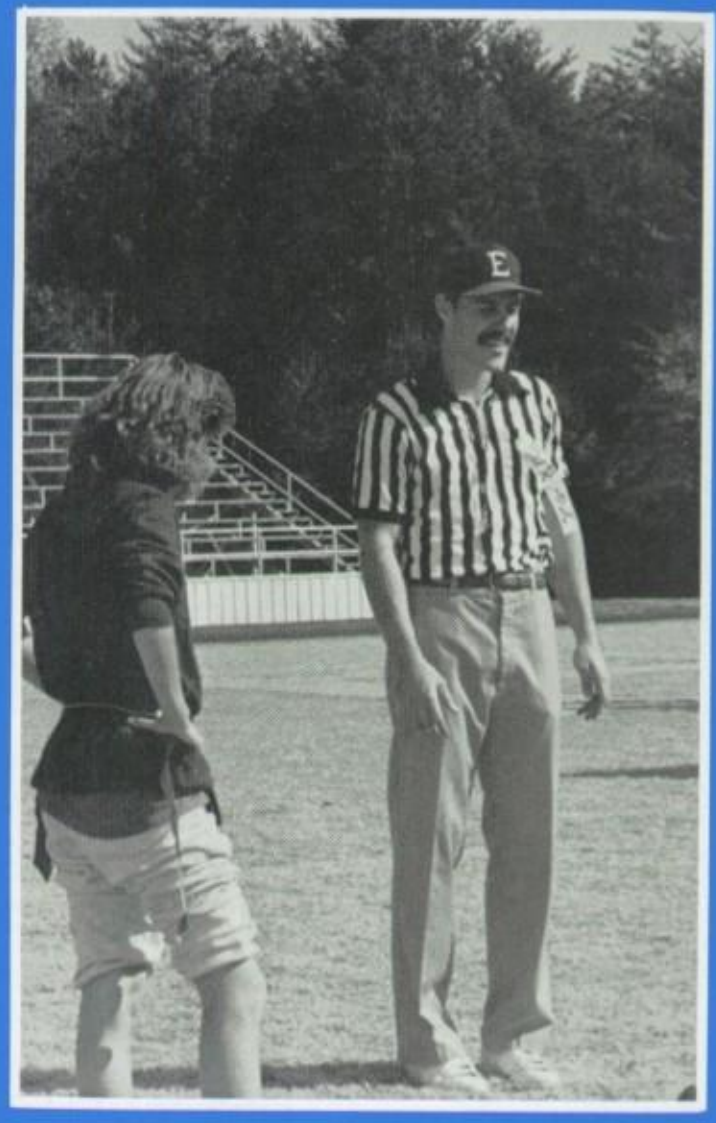
# Mr. Billy Mills Receives Annual Dedication

This year, the senior class selected Mr. Billy Mills as the recipient of the annual dedication. Many of the seniors commented on his amiability and his willingness to help his students. Sample quotes included: "Exciting!", "He knows how to teach," "Everybody loves him," "He has led us to believe in our school and our school spirit," "He makes everyone feel good about themselves," and "He's always so enthusiastic!"

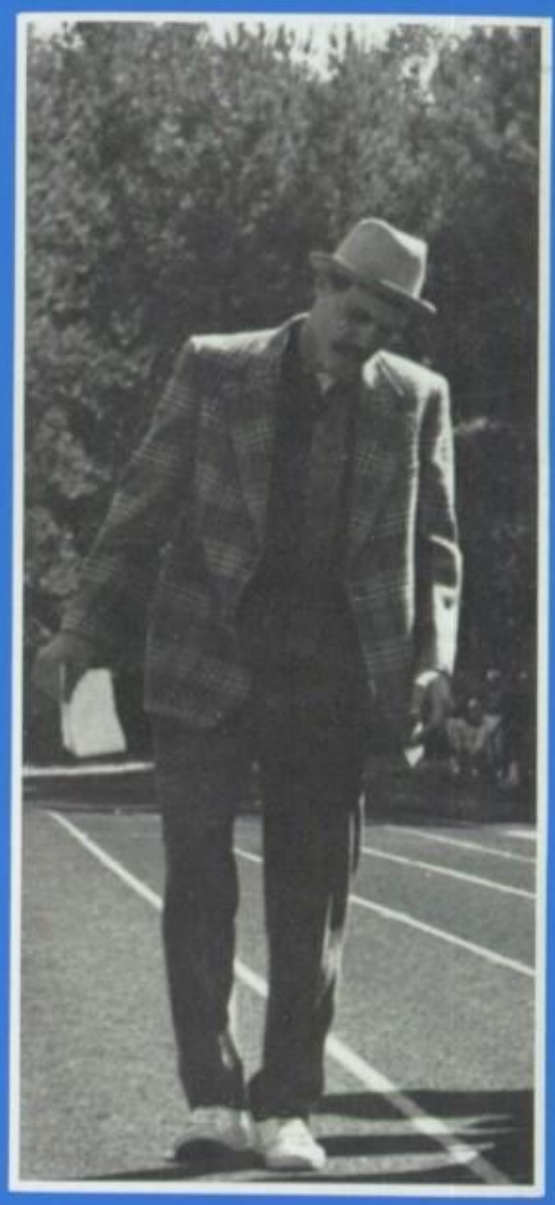
Perhaps this student summed him up the best: "He makes students laugh; he gives a lot of free advice, willing to help you at any time, and really cares about what happens to his students." For three years, Mr. Mills has taught Technical Drawing I, Architectural Drafting, and ITIE. He also coaches junior varsity football and basketball and is advisor of ULCA II. He serves as Teacher Advisor as well.



Above: With one of his famous Tarzan yells, Mr. Mills swings to the rescue.



Above: Mr. Mills referees during the powder puff football game.

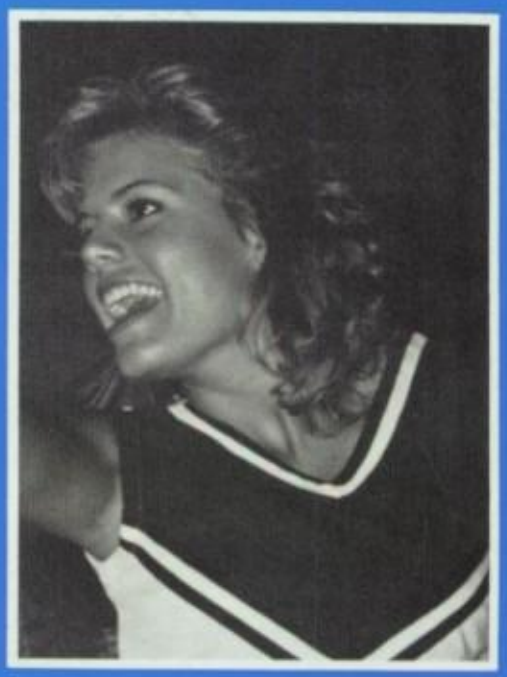


Above, a solemn moment in Mr. Mills' life during the funeral for the Sun Valley Spartan.

East Rowan's chief of the Varsity cheerleading squad, Sabrina Peeler, was chosen All-American Cheerleader from UNC-Charlotte cheerleading camp. Cheerleaders were chosen throughout the week to compete for this honor. Out of the cheerleaders competing, Sabrina was chosen. She also won the Best Individual award. As All-American Cheerleader, Sabrina cheered at an N.C. State football game with other All-American Cheerleaders from other camps. All these honors show that Sabrina Peeler is a good representation of East Rowan's school spirit!

Sabrina Peeler shows her East Rowan winning style through her routines and smile.

Polishing their smiles, Jenny Stoner, Lee Pethel, and Sabrina Peeler prepare for another day at the UNC-Charlotte cheerleading camp.



Such energetic talent and spirit could only be found at East Rowan!

# What A Face — It's Just Our Style At East Rowan!

Sometimes at East Rowan, a face can be worth a thousand words. Facial expressions can let a person know what someone is feeling even before he or she says a word. Often, large groups of people shared the same expression. For example, on the first day of school, juniors and seniors could identify sophomores by the blank looks on their faces. Before long, though, the sophomores were all smiles, blending in with the rest of the Mustang crowd. Juniors and seniors also possessed baffled faces while applying for SAT, PSAT, and ACT tests — and for colleges — but confusion is just a part of life at East.

Above, sportin' the shades, Cammie Watson and Dawn Kepley strike a pose.

Below, Mr. Bullins' face shows determination to make his class learn!

Above, Coach Mauldin kicks back (since there's nothing better to do).

Above, Kim Melton's expression registers surprise at having her picture taken, while Regina Hall continues to sort through the senior pictures.

Above, Staci Yoe and Amy Upright are all smiles (as always).

Below, Nicole Ayash's eyes show curiosity and surprise.

Above, Brent Hartman smirks while Mike and Chad listen.

# The Class Of '90 Ain't It Mighty!

The 1987-88 sophomore class officers were Shannon Fesperman — Pres., Leslie Cline — VP, Tammie Greene — Sec., Karen Bost — Tres. The sophomores faced many changes when they crossed the street to come to East. No longer were they on top, but they were at the bottom of the pile. Many got licenses, permits, and class rings. But these changes didn't bother the sophomores who stepped right in and got involved in school activities and let East know that they had school spirit. Way to go sophomores!

# The Class Of '89 — Ain't It Fine!

The jammin' juniors created excitement at school in whatever they did. Whether it was band, student council, or sports, the juniors were ready with new ideas, open minds, and a lot of talent. They were led by: Lori Honeycutt, Malea Barringer, Christy Agner, Stacey Honeycutt. With colleges peering over their shoulders, the juniors had to excel in academics, sports, and extracurricular activities. Juniors also anticipated such honors as NHS inductions, a great senior year, college acceptances, and (at long last) being on top of the heap. In fact, the juniors were already East Rowan veterans, but they didn't yet feel all the responsibilities that a senior must face. Even so, all the juniors felt uneasy watching the seniors graduate ahead of them, and knowing they will be in the same position in only a year.

Kim Westcott and Chris Morris are relaxing on the heater by the office waiting patiently while their picture is made.

Trevor Gould finds Sabrina Peeler's shoulder a lot softer than the couch in the library, while Sabrina finds her work more interesting than him.

These seniors find it in themselves to sacrifice valuable class time to gather and show off their spirit ribbons.

Eric Walker, Brian Kesler, Lisa Moose, and Jennifer Haupt are studying hard in Mrs. Norris' English class.

# Seniors Are The Class Of '88 — Ain't It Great

The 1987-88 East Rowan Senior class were a special group of people. They were led by President — Sabrina Peeler, Vice-President — Nicole Ayash, Secretary — Kim Kluttz, Treasurer — Elizabeth Taylor. Involved in everything from band to student council, the Seniors were important to their school. After surviving from kindergarten to their Senior year, the diplomas handed to these students were well-earned. With driver's education, SATs, class rank, and college acceptances behind them the Seniors breathed a sigh of relief. No more "Peck tests", fighting for parking places, or stone age heaters. The Seniors headed for Myrtle Beach where they partied their hard-worked bodies out, remembered the past, and looked forward to the future. The attraction of college campuses, waiting friends and family, and the eagerness to start a new life, created a willingness to leave the beach and return home. Experience, headaches, and teachers made graduation just their style.

Below we see our Senior class standing to show their pride for the East Rowan Mustangs. The Seniors won the spirit stick this year — of course.

The Senior class filled out surveys concerning their hair, eyes, height, and shoe size. They also had to give their opinion of their favorite foods, music, soda, sport, color, professional football team, professional basketball team, professional baseball team, moviestar, movie, college, and ten beauties and hunks of class. The following things are what the Seniors considered just their style:

*Food* — Pizza
*Music* — Rock
*Soda* — Cheerwine
*Sports* — Football
*Color* — Blue
*College* — UNC-CH
*Professional football team* — Bears & Redskins
*Professional basketball team* — L.A. Lakers
*Professional baseball team* — Atlanta Braves
*Female television/movie star* — Heather Thomas
*Male television/movie star* — Tom Cruise
*All-time movie* — Top Gun

According to the poll pertaining to eyes, hair, height, and shoe size, if you were to try to identify the average East Rowan Senior High 1987-88 SENIOR, you would need the following descriptions:

| *Male* | *Female* |
|---|---|
| *Hair* — Brown | *Hair* — Brown |
| *Eyes* — Brown | *Eyes* — Blue |
| *Height* — 5'11" | *Height* — 5'3" |
| *Shoe* — 10 | *Shoe* — 7½ |

These twenty Seniors were voted by their class as the best-looking that they possessed. This representation of looks shows that the Seniors definitely have an impressive looking class! From #1 to #10 is as follows (#1 having the most votes): #1 Sabrina Peeler & Richard Smith #2 Kim Kluttz & Richie Jones #3 Angie Poplin & Chris Hartung #4 Alyssa Carman & Eric Walker #5 Terri Carelas & Matt Clement #6 Dawn Kepley & Trevor Gould #7 Amy Anderson & Joe Harrell #8 Nicole Ayash & Daniel Sifford #9 Angela Bullard & Jacob Ridenhour #10 Jennifer Beaver & Robbie Dry

The second string V-12 display their new routines, one of which consists of flipping their skirts to flash their shapely tummies.

As the pep rally gets under way, Trevor Gould leads his squad in a cheer to rev up their laughing audience.

These are the first and second string cheerleaders. The guys are: Matt Clement — Nicole Ayash, Trevor Gould — Sabrina Peeler, Jeff Shirley — Jennifer Melchor, Bryan Anderson — Jenny Stoner, Robbie Dry — Adrienne Hancock, David Morris — Kim Kluttz, Richie Jones — Lori Honeycutt, Tim Morgan — Lee Pethel, Richard Smith — Shannon Hess, Chris Hartung — Jamie Heilig, John Brady — Ginger Yarbrough, Jamie Rowland — Kristin Ennis. # Seniors Honor Class Through Superlatives

Every year the seniors look forward to voicing their opinions about their Class Favorites, the Best Personalities, the Most Likely to Succeed, the Most Talkative, the Most Dependable, the Most Talented, the Most Attractive, the Most Intellectual, the Most Courteous, the Most School Spirited, the Friendliest, and the Class Clowns. Through the Superlatives, seniors were able to do this, and through the annual they will be able to remember these outstanding classmates. The esteem of being chosen for one of these Superlatives is an honor that should be cherished by the recipients for many years.

Working and succeeding in academics, sports, FHA, and other extracurricular activities, *Chris Hartung* and *Maria Napier* fit the title of *Most Likely To Succeed.*

The President of the student body, *Richard Smith,* and Miss All-American Cheerleader, *Sabrina Peeler,* always have something nice to say or do. Friendliness is their top priority despite prestige so it is no wonder that they were chosen *Class Favorites.*

Intruding in other people's conversations, talking senselessly about anything, or just being an all-around happy person who wants to make others happy with their chatter, usually will win you the title of *Most Talkative.* The latter best describes *Jennifer Beaver* and *Chris Williams.*

Standing out in any crowd as the peacemaker and the cheerful attitude that helps others, is *Terri Carelas* and *Matt Clement* as *Best Personality.*

The senior class knows that *Robbie Dry* and *Laurie Medley* will always listen to them, and are reliable in any situation so they chose this trustworthy couple *Most Dependable.*

Being well-rounded by playing football, wrestling, track, volleyball, basketball, and softball, *Alyssa Carman* and *John Brady* were easily chosen *Most Athletic.*

As artists of East Rowan, *Heidi Bostian* and *Rusty Jones* also are involved in music and fashion. These abilities won them *Most Talented.*

Three-year football player, *Richie Jones,* and cheerleader, *Kim Kluttz* make a handsome couple. This is why they are *Most Attractive.*

*Inge Earnhardt* and *Mark Lyerly* excel in their class in knowledge and were Junior Marshals, National Honor Society members, and now *Most Intellectual.*

Politeness and respect for other people and their feelings are the qualities to look for *Most Courteous.* The seniors obviously thought this applied to *Dawn Kepley* and *Kevin Smith.*

Pepping up crowds by either leading cheers or making great football plays, *Jennifer Melchor* and *Trevor Gould* have the enthusiasm to be *Most School Spirited.*

*Tim Morgan* and *Tonya Miller* are always involved and always smiling while they're doing it. With this attitude and their nice words for everyone, they were voted *Friendliest.*

The ability to put people at ease with jokes and the ability to always keep people laughing is a rare trait that *Daniel Sifford* and *Lee Pethel* possess. These *Class Clowns* should be called the Life of the Class.

Involved in many different activities such as basketball, NHS, tennis, cheerleading, and many others, *Jon Honeycutt* and *Nicole Ayash* came close to winning several categories so they were chosen *Mr. and Miss Superlative.*

# School Life Is Just Our Style At East

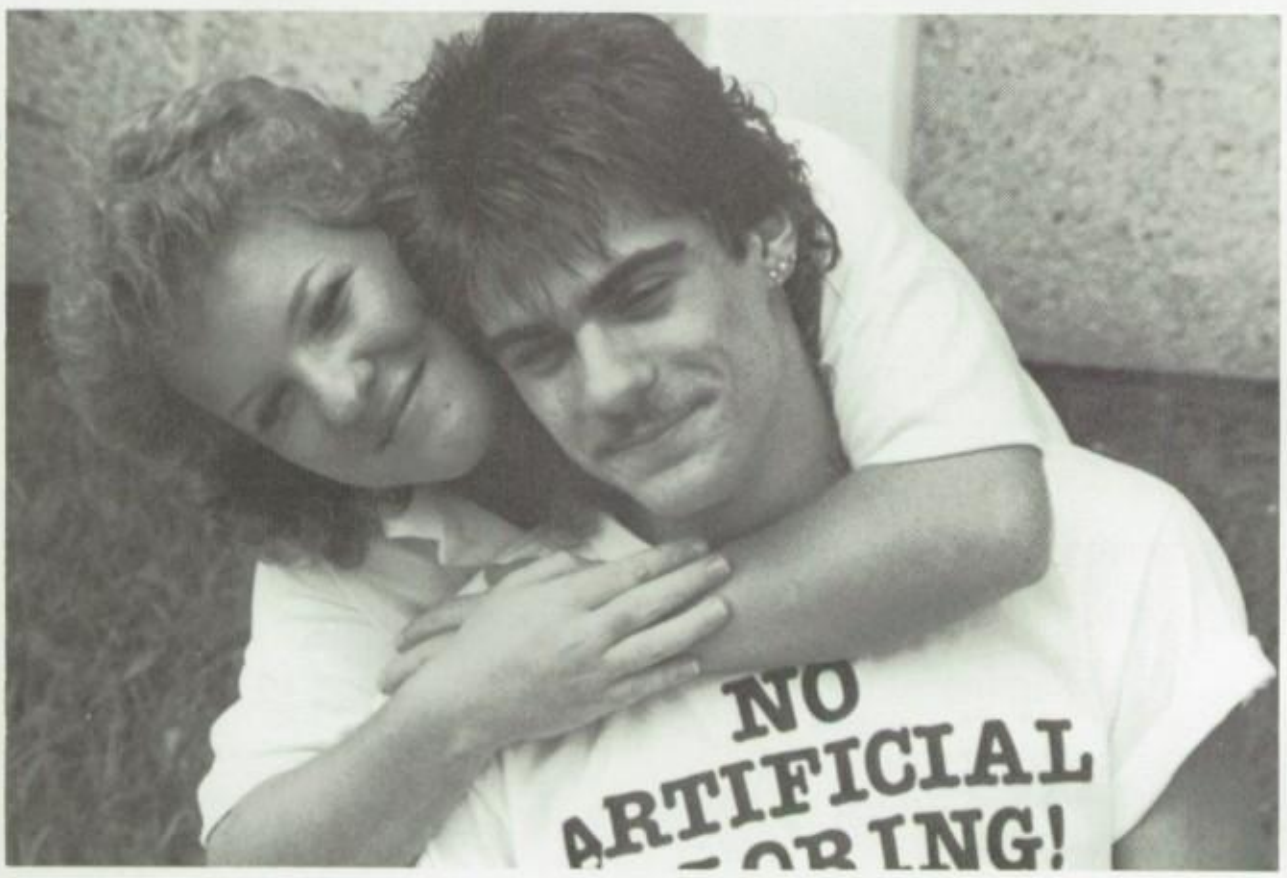
Even though most of us complained about having to go to school, for the most part, we could say that we enjoyed coming if only for the fact that we could see our friends. Most of our days were spent at school, but we learned some very important things. We learned that: all work and no play can be very boring, that Dr. Starr could not dance, that everyone at East loves getting out of class, and that each of us is a unique individual; the latter of which is the most important. We are in control of our lives, and we can do whatever it is that we need to accomplish. Why? Because it's JUST OUR STYLE.

Top Right: Lisa Moose, Jody Lefler, Eric Walker, and Chad Rummage contribute in helping to "Make East Beautiful."

Right: Ursula Smith sits in class and does her typing, but she can hardly wait for the bell to ring and end class.

Bottom Left: Rusty Jones works with the sound system during the National Honor Society induction assembly.

Bottom Right: W.R. Heilig, with some help from Mr. Kennerly, decides what kind of class ring he wants.



Sonja Evans, Abbie Aldridge, Pam Kiser, and Pearl Blankenship love to lounge around in the court yard during their lunch break.

Ty Trexler enjoys working on a project in the second floor teacher's lounge (as long as it's the girls that are having to do the work!).

Traci Trimmer takes the football and rushes down the field during the powder puff football game which was given as a reward for the candy sale.

Michelle VanDyke gives Scott Stewart a great, big hug as they pose to have their picture made. At East, there is nothing like having a friend.

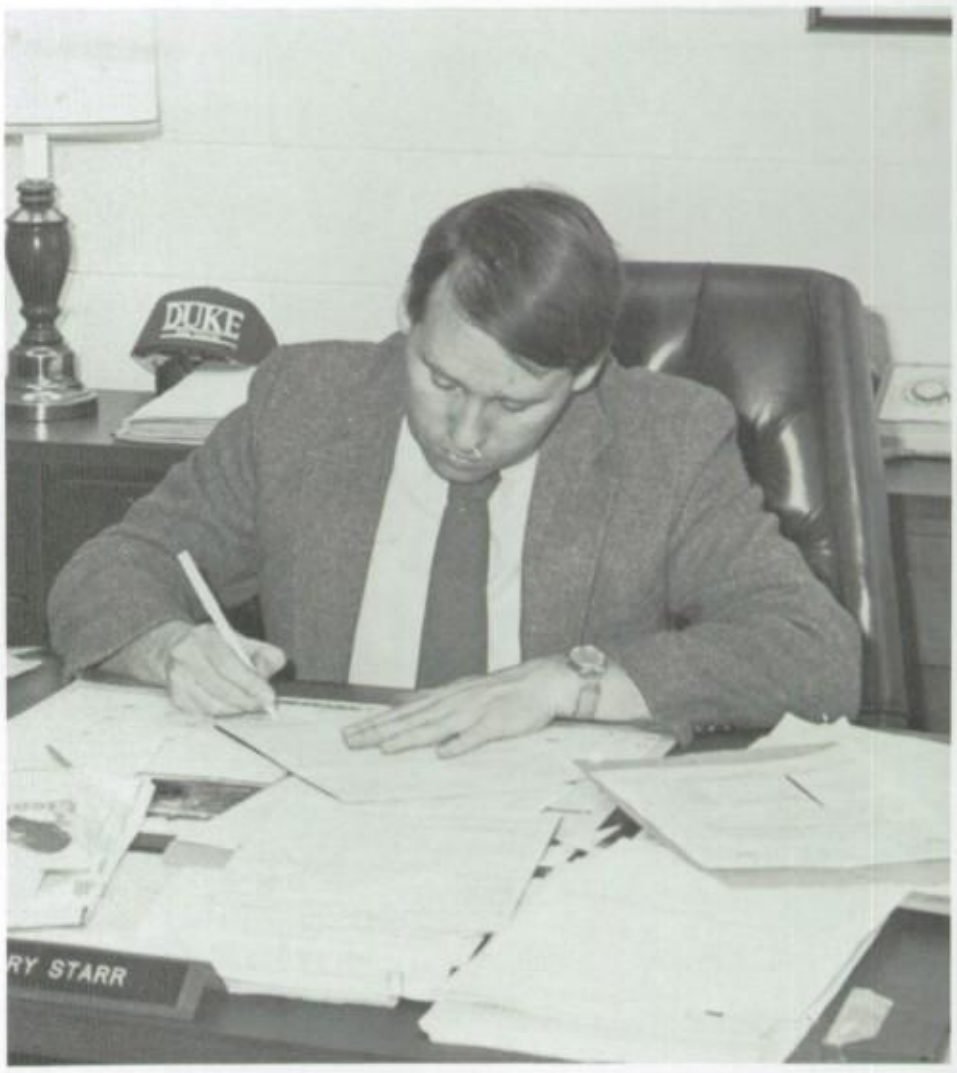
# East Teachers Have That "Tang" Pride

Teachers benefit students throughout the school year. They help us out by working and striving to get the best out of our future. They not only care about us as students but also as individuals.

The office staff is always there and willing to help any new student or a student checking in or out. Dr. Starr and Mrs. Weant are also there to help us with any problems.

There were many new teachers this year. Mrs. Norris teaches English and annual, Mrs. Meyerhoeffer: History, Mrs. Kirk: SIMS clerk, Mr. Bullins: Math, Mrs. Turner: Science, Mr. Bailey: Business.

Let's not forget those helpful janitors. They work hard cleaning up after students and keep the rooms clean. East Rowan faculty is "Just Our Style."

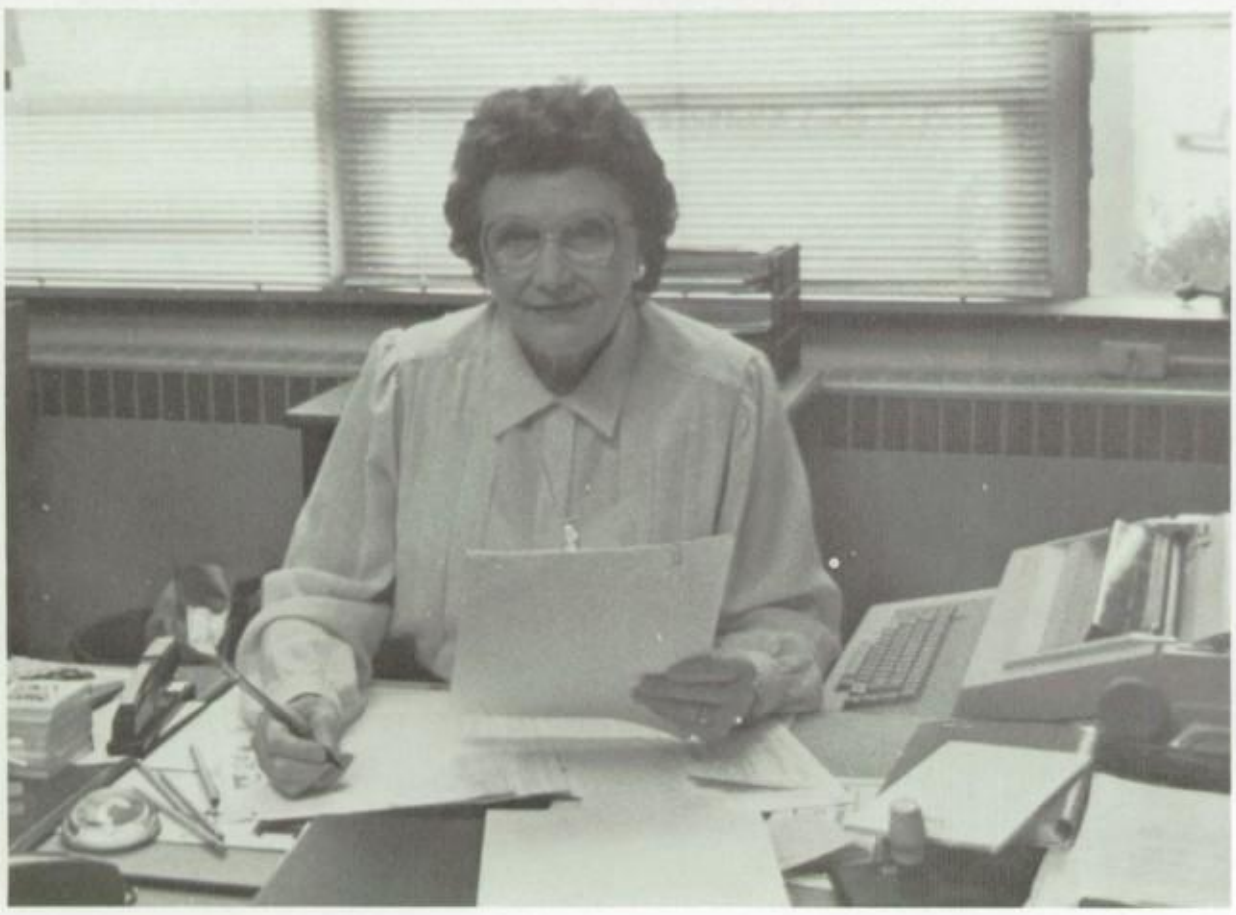


Dr. Starr and Mr. Sprinkle talk over important business in the auditorium.

The teachers and faculty of East show us their "Pride."

East is glad to have Mrs. Kirk here to operate the SIMS program which is new this year.

East Rowan was very privileged to have Governor Martin visit the school. Pictured are Marcelle Williams, Governor Martin, Mrs. Patton, Mrs. Weant, and Dr. Starr.



Judging by this picture, it is easy to see vice principal, Mrs. Weant, means business.

Mrs. Tuchek performs one of her many daily tasks by answering the phone.

Mrs. Lyerly looks up from her bookkeeping to smile for the photographer.

# East Students Are Ready For Christmas!!

Christmas is a very busy time for East Rowan students. Everyone is busy making up work and preparing for exams. Each person looks forward to getting out of school for two weeks and to giving and receiving gifts from friends and family members. Everyone was in the Christmas spirit even though the weather made it seem like summer.

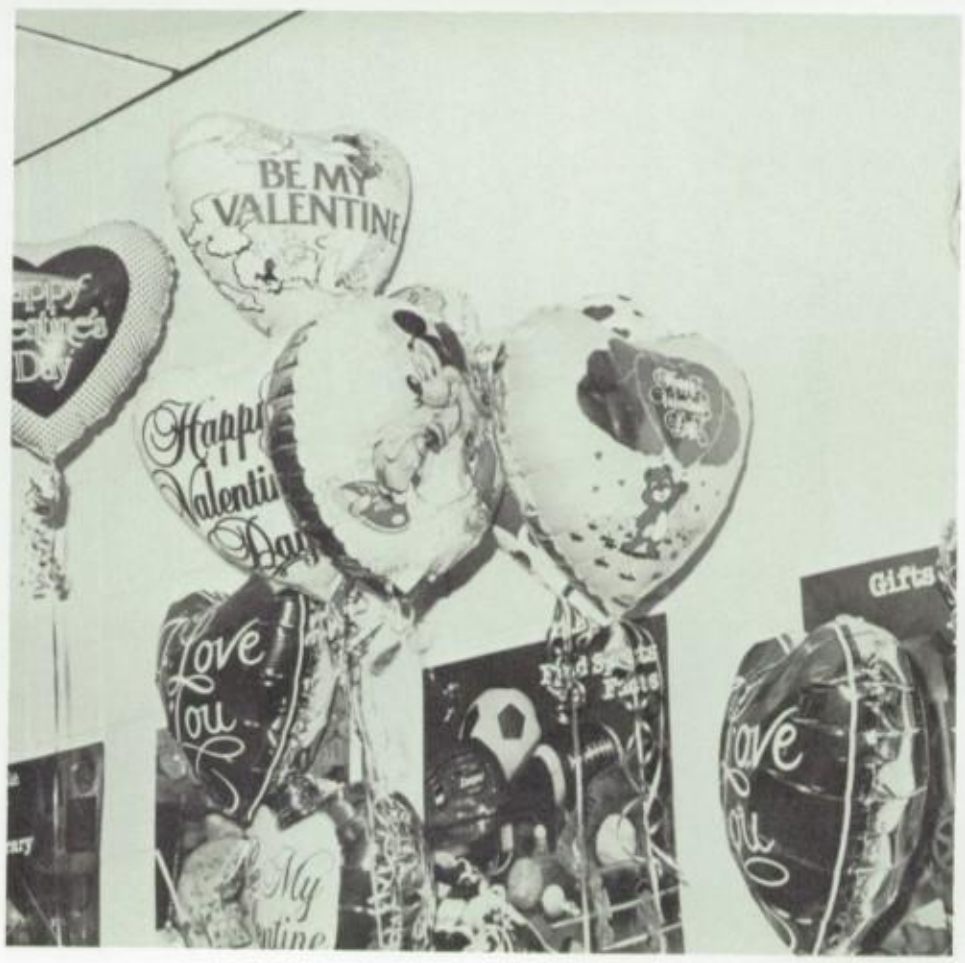
# Valentine's Day Gets Students Into The Spirit

Valentine's Day is really a great time at East. Everyone looks forward to this holiday even though they are in school. More flowers and balloons are delivered to students at school than any other time. Everyone is happy and cheerful. The mall really set things off with the pretty displays. Most of the stores were decorated with cute little gifts.

Chris Moss, Pink Panther, and Bill Lamb pose for the camera with some balloons on Valentine's Day.

An ideal Valentine's Day gift for your sweetheart was one of these Bear-loons from Hallmark.

A heart box of GODIVA from Belk just might be the perfect St. Valentine's that you have been looking for!



Students, friends, and parents express their love by sending balloons on Valentine's Day.

# Who's Who Are Class Leaders

The seniors have their chance to choose who they think serve, lead, and help the school the most through superlatives. The teachers' chance comes through Who's Who. It is interesting to see whether the students and the teachers have the same opinions. Who's Who is an honor because it means that the teachers recognized your hard work and attitudes. Who's Who is important because in the years to come the honor will gain even greater value. The people on the Who's Who pages represent the senior class and show how special the 1987-88 senior class is.

Jennifer Beaver, Matt Clement, Susan House, Sabrina Peeler, and Richard Smith work in various clubs and offices to serve the school and set examples for the students. This is why they are . . . *Who's Who In Leadership.*

# Homecoming Game: East Rowan — 14 Sun Valley — 7

Homecoming week this year was Sept. 28 through Oct. 2. Each day of the week had an activity. The days were as follows: Monday — Silence is Golden, Tuesday — Inside Out, Wednesday — Burn 'Em Up and Silence is Impossible, Thursday — Trash 'Em, Friday — Mourn 'Em. On Friday there was a pep-rally that included contests between the classes, the second string V-12, and a funeral service for a departed Spartan. Friday night ended up the week with the game and dance. East played a fantastic game with a score of 14-7 over Sun Valley. Sabrina Peeler and Richard Smith were crowned homecoming queen and king. The week was full of unforgettable fun. No one will forget homecoming '87 or the Class of '88!

A homecoming queen is chosen by character and beauty. Rodney Turner proudly escorts Sabrina Peeler who possesses both of these qualities.

Kim Miller and Pat Jones, representing the Human Relations Committee, attractively complement the homecoming court as their picture is captured.

Coach Mauldin gives words of advice to Bryan Anderson, Chris Hartung, and Kavin Corl while John Brady eyes the camera.

Jamie Heilig and Jon Bost make quite an impression on the field as they represent the junior class.

Sophomore Laura Deutsch represents her young class well with her escort, Cory Beacham.

# "Never Say Goodbye" Just Our Style At Prom

The 1987 senior prom was held at the Salisbury Civic Center. The prom was a great success. "The Ticket," the band, did a wonderful job. They played music everyone enjoyed.

Spencer Nash and Leslie Holshouser were chosen king and queen of their class. Spencer and Lydia sang the theme song, "Never Say Goodbye," while the rest of the student body danced with their escorts.

Junior class president, Sabrina Peeler, introduced the Student Council, senators, junior and senior class officers and their escorts for the Grand March. The last thing announced by Sabrina was what everyone was waiting to hear, the king and queen of the 1987 senior class.

The junior and senior prom was the place to be on May 9, 1987.

The theme song "Never Say Goodbye" was sung very nicely at the prom by Lydia Russ and Spencer Nash.

Tanya Eller and David Robinson dance just their style to the theme song "Never Say Goodbye", while the other couples dance around them.

Cammie and Natalie look really excited standing there waiting to dance to the theme song, while everyone else waits, too.

Prom queen Leslie and king Spencer stand together for a quick snapshot.

The cute couple, Chris Moss and Bradley Isenhour, stand patiently to hear the royalty announced.

The refreshment table was decorated very nicely; the food was great! The decorating committee did a great job.

Chosen by teachers at East Rowan, Jennifer Beaver is the 1987-88 Miss Merry Christmas!

Driven by Jeff Brandon, Jennifer Beaver waves at the crowd during the Christmas parade.

Honors build pride and confidence. The people featured in these past pages deserved these awards. But an award means nothing unless people know why and how you achieved it. Gov.'s School consists of being nominated by your teacher, passing the Rowan County and Gov.'s School board's scrutiny, and auditioning for the field you were nominated for. Boys and Girls State is held in an all boy's or all girls' college where you attend classes of your choice. SPEC is held in either Pfeiffer, Catawba, or Wingate depending on what topic you're studying. The J.E. Fisher Memorial Scholarship is awarded to an individual who possesses athletic qualities as well as a knowledge of the outdoors and above average intelligence. All these awards encourage students to strive for the best in academics and leadership.

# Junior Civitan — A Growing And A Giving East Club

Junior Civitan is a club that originated as a branch of Senior Civitans. The club is a state and school-community affiliated club. J.C. specialize in helping others. East Rowan J.C. club is part of District West and is one of the best in the district. Because of the many projects and activities, the club is growing. It has been a part of the East Rowan tradition since the opening of the school, but until 5 years ago, the club was made up of only girls. The club was losing interest so the constitution was changed and now the membership of boys versus girls is about equal. The club has recently gained support of many community clubs and is well on its way to having many successful years.

# Round-Up Staff Gets Job Done

The *Mustang Round-Up* has been in existence for 29 years. The newspaper brings the students and teachers news, features, and sport activities that happened at East Rowan.

The advisor this year is Mrs. Ann Tucker; she is also an English teacher. The Co-Editors are Christy Hart and Sabrina Jones. All the members of the *Mustang Round-Up* have had to learn to work together to meet their deadlines. In unison they create the perfect newspaper staff.

# Annual Staff Catch Memories

The 1987-88 *Eastonian* staff suffered under many problems. With no seniors on the staff, they missed the experience a senior could share. It was also the third year in a row that the staff was under a new advisor. But Mrs. Beverly Norris worked hard to learn, help, and teach the staffers how to put together an annual. The annual is a school tradition and is a way to keep memories of high-school. This past year's staffers realized this and worked to provide a yearbook that best captured these memories.

Editor, Robbie Nance, is caught by surprise as he and Pam Shue play video games at Pizza Hut.

Through snow, rain, or troublesome customers — these people deliver. No, they're not the mailmen. They're the *Eastonian* annual staff.

# FCA — An Athletic Club Existing To Help Others

The Fellowship of Christian Athletes has grown in the last year. Under the supervision of Mrs. Myra Meyerhoeffer and Miss Lu Holshouser, the club sought to find ways to help others. # Students Take Interest In Outside Actions!

The Fire and Rescue Brigade help with fire drills and other related projects around our school. This year they have ordered jackets and participated in classes outside of school. The Volunteer Firemen are not directly related to the Brigade but some are members of both. The Firemen's only pay is the satisfaction of succeeding. The Computer Club was restarted this year by Mr. Bailey. The club is open to all sophomores, juniors, and seniors with an interest in computers. Although the club is small this year they hope to grow in the years to come.

In the top right hand corner Wes Faulk, Paul Bost, and David Earnhardt, relax and take time out of busy schedules to pose for the camera.

# Class Of '88's Guide To A Smooth Year

The seniors were generous enough to supply their helpful hints in succeeding in academics.

EASY GUIDES FOR TARDIES:

1 — Tell your teacher that you were absent because you use up 5 tardies faster than 20 absences.
2 — If a late bus is coming in when you are — tell the office that you were on that bus.
3 — When signing the sheet in the office — sign someone else's name.

WAYS TO GET OUT OF ABSENCES AND CLASS:

1 — If skipping a class — ask friends to say that you're in the office.
2 — Make good use of appointment cards.
3 — Show your school spirit — show up for all pictures.

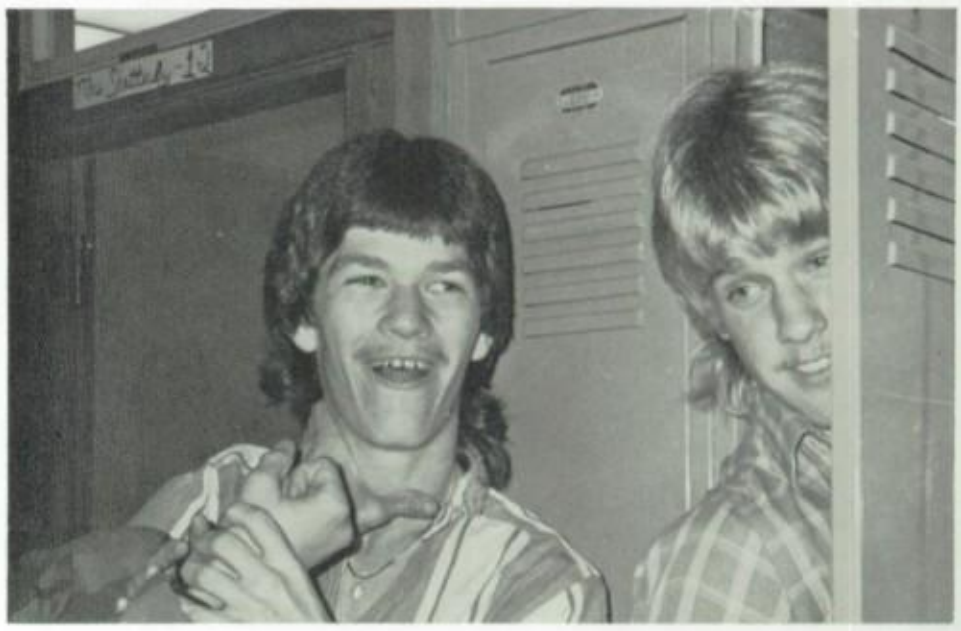
GRADES:

1 — They say we make the grades, they just record them. Take a job off their hands and record them yourself.
2 — Write notes on the back of the chair in front of you.

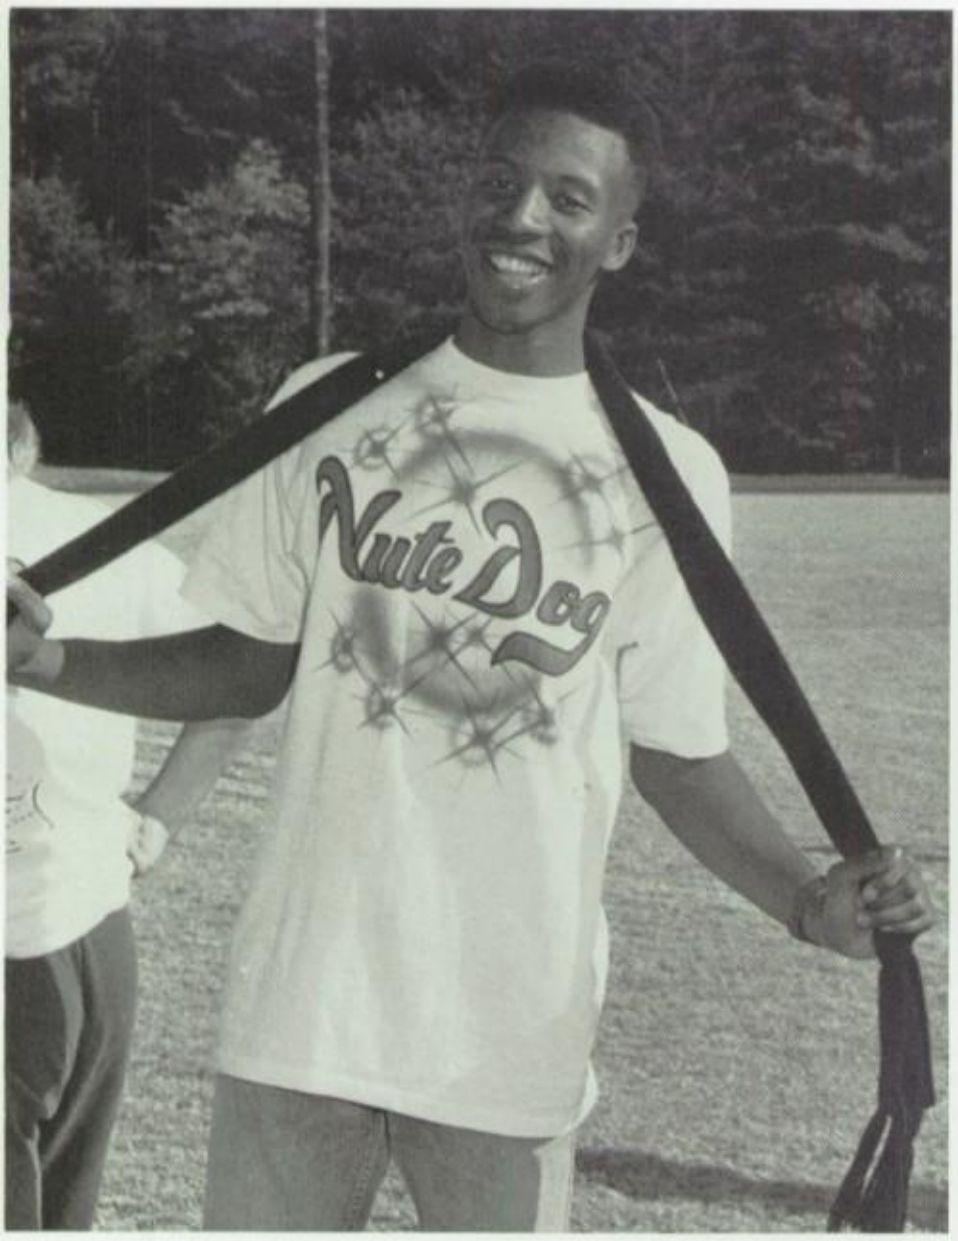
As students hurry to reach classes, Nicole Ayash's smiling face is standing out in the rushing crowd.

Anyone else would be frightened by Craig Ratchford's massive hands, but Malea Baringer smiles bravely.

Such a show of muscles could only be found in a sixth period weight class on the bodies of Jeff Bombadier and Edward Teeter.

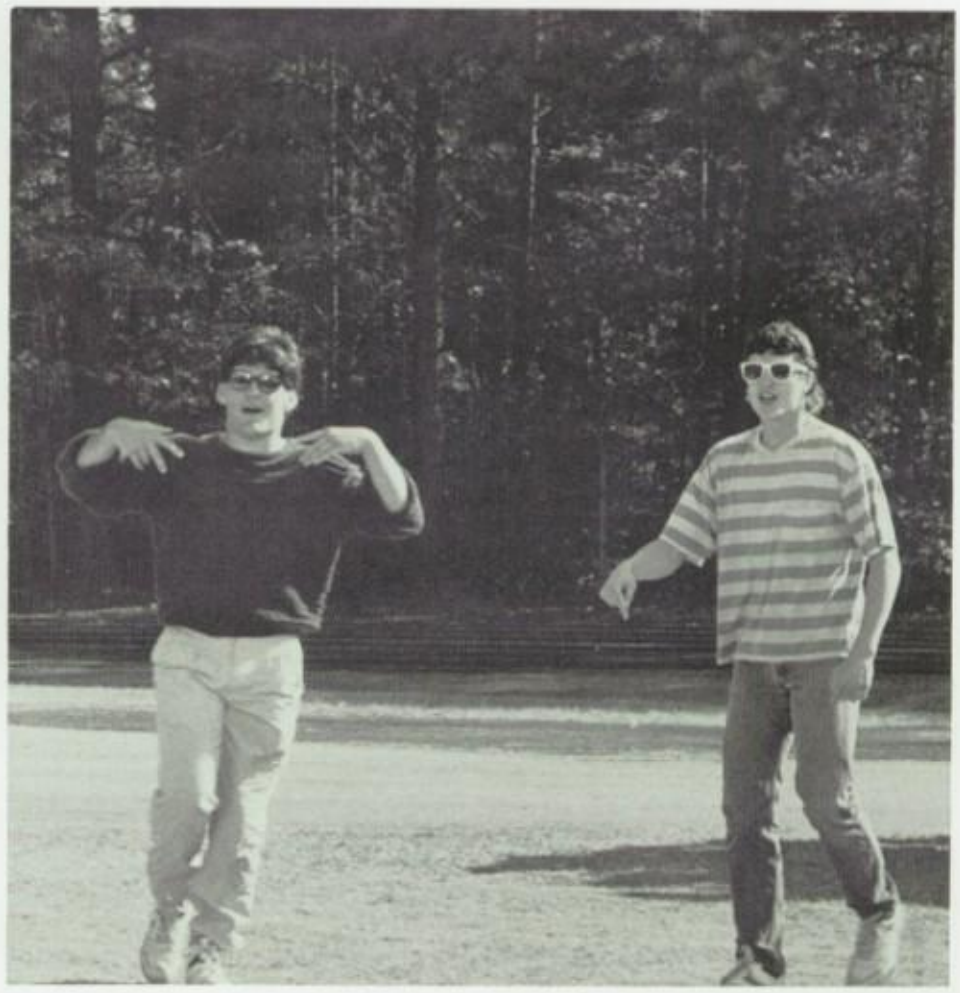


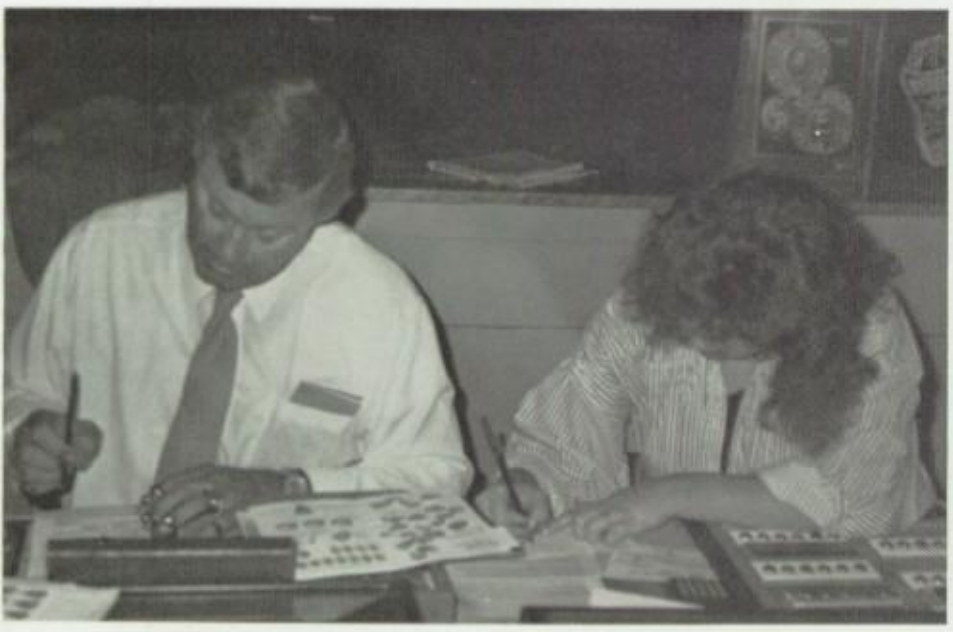
Mike Shuler finds another clever way to cut class while his friend is attacked by unknown hands.



Showing results of the powder puff football game in his smile, senior Tim Morgan proudly displays his unique T-shirt.

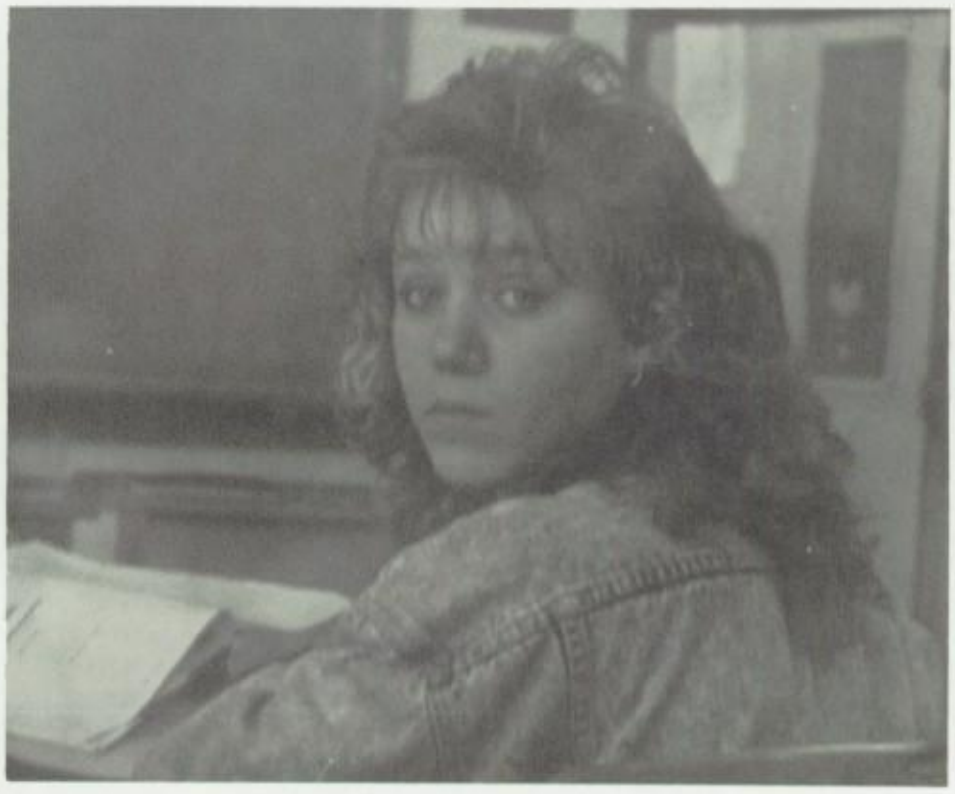
Cheering on their women football players, Trevor Gould and Alan Hipp reveal what cool seniors should look like.





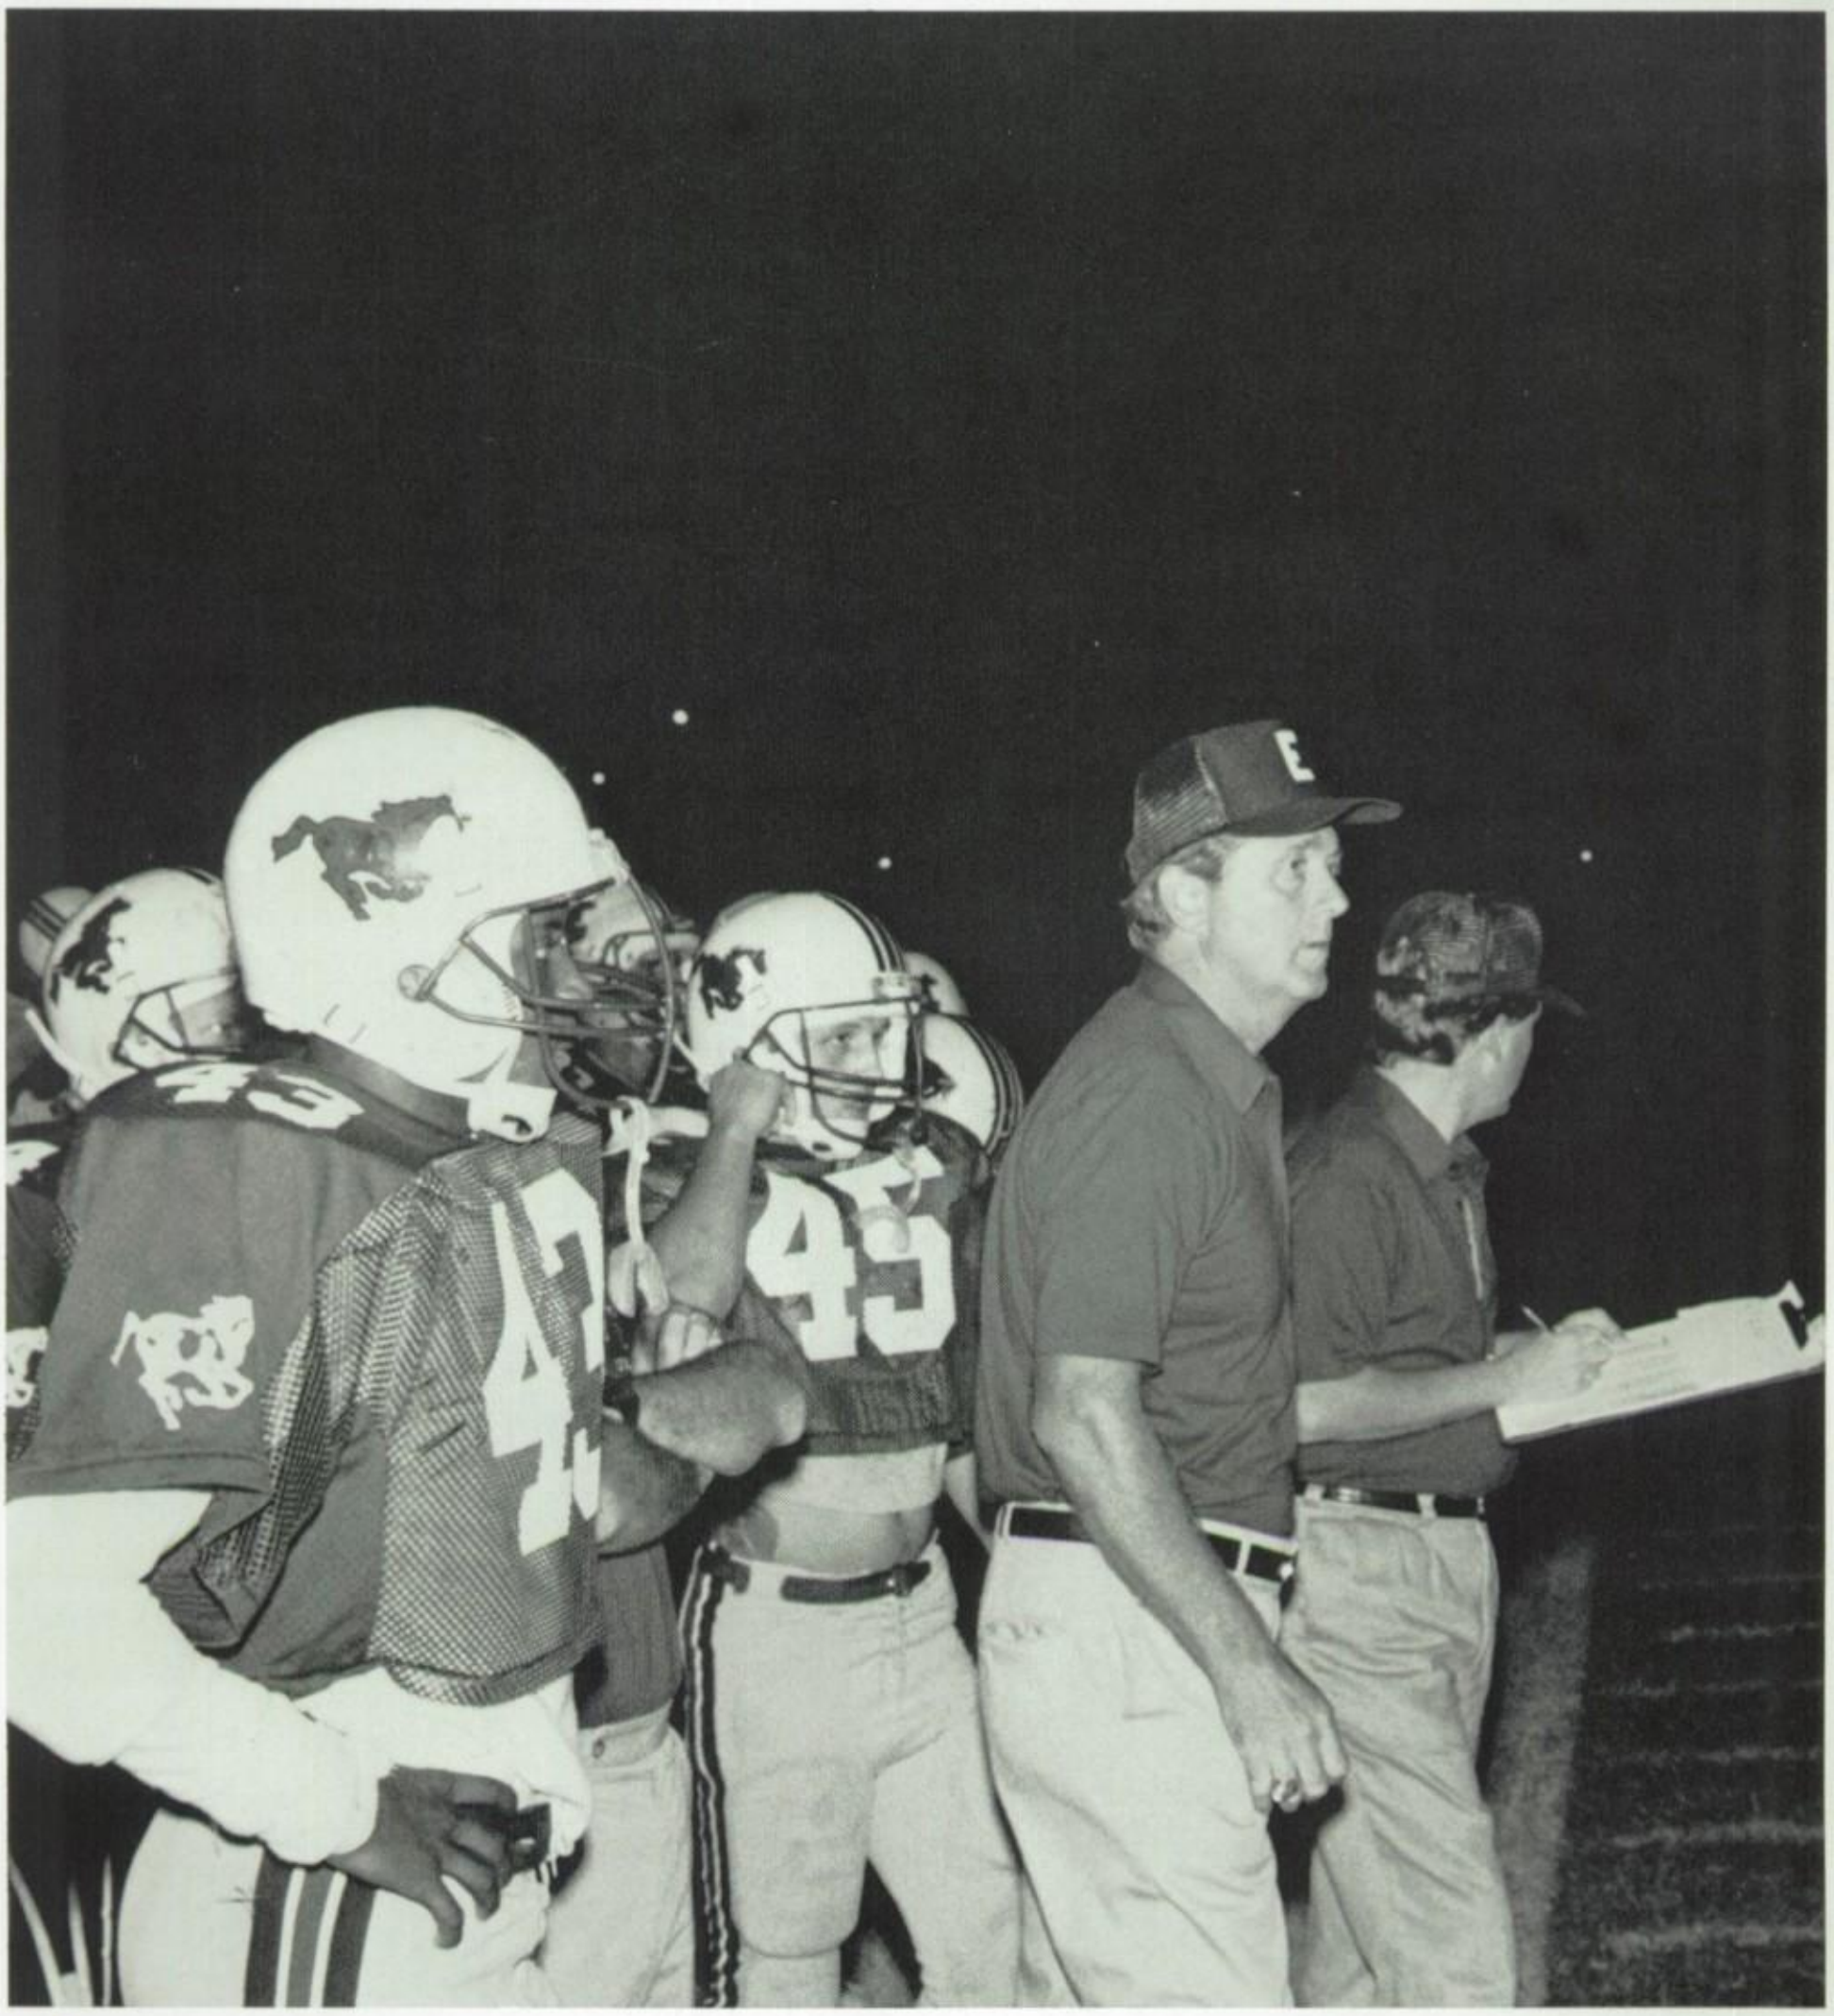
This is an activity many East Rowan students look forward to with excitement — selecting and ordering class rings.

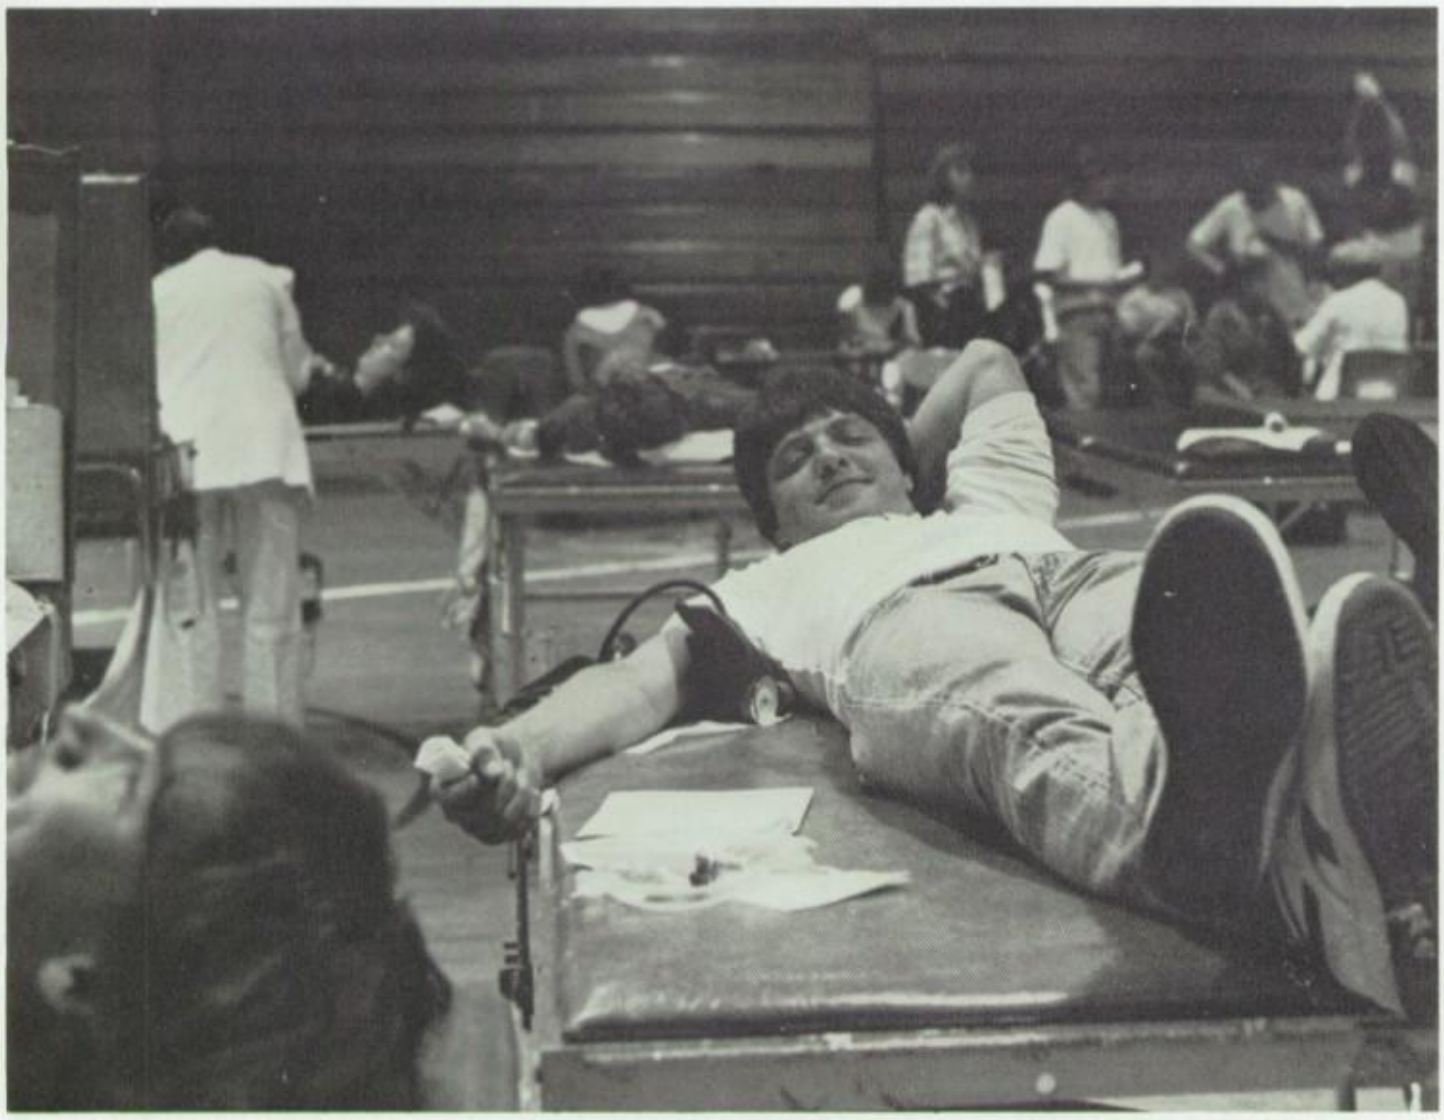
This is every guy's dream — a herd of smiling, talented senior girls rushing straight at him.



Sophomore Lori Basinger is distracted from her math class — if only we could all be so lucky.

# Mustangs Show Winning Style





Brady Stubbs looks proud to be helping out in the Bloodmobile at East Rowan.

Marcus Miller turns around looking confused (as usual) in his French class, only to meet up with the camera.

Betty Lowery shows how much she likes her friend Christy Mickey by putting a choke hold on her.

After a hard day's work of cutting class to help with pictures, Robbie, Wes, Wendy, Traci, Sheila, Dawn, Matthew, and Pam take time out to have a picture made.

# Girls Tennis Team Serves Up A Great Year

The East Rowan Girls Tennis Team did a great job this year. They placed second in the Conference Tournament. The team was also proud of Kim Westcott and Nicole Ayash for making it to the State Competition in doubles. Paige Jones and Shannon Fesperman went to Conference in doubles, along with Brooke Crossley and Carmen Frazier in singles.

# East Volleyball Can Do It Like Nobody Can — Even Better

The volleyball team won the tournament and conference championship. Three years in a row, the volleyball team has accomplished this and qualified for state playoffs. The seniors that were a part of that three year victory were: Alyssa, Amy, Karen, Wendy, Ronda, and Sandy. The other players of the team were — Cindy, Keri (Mgr), Melissa, Sheila, Susan, Tara, Terina, Tonya, and Traci. Two of their losses were to South Iredell, the other to Country Day. Coached by Kathy Cranford and Lu Holshouser, the volleyball team had a 20-3 record. Unbeaten in the conference, the team had an excellent season.

The awesome senior Sandy Basinger exhibits her talents by spiking the ball into her opponent.

# Girls' Varsity Has Outstanding Season

This year's Girls' Varsity Basketball team consisted of four seniors, five juniors, and one sophomore. Their coach was Jesse Watson, and Joanna Kesler was manager. Most of the girls had played together before with the exception of Chrissy Roseman. Sandy Basinger said the team played well together, and she felt Chrissy had adjusted quickly. Coach Watson said he felt the team had had a good year so far, and they were shooting for tournament championship in the sectional. The girls had an outstanding regular season, and we were very proud of them.

# Just Their Style
# Varsity-12

East Rowan cheerleaders worked hard all year supporting sports and raising our school spirits. No matter if it was with a win or a loss, the Varsity-12 were always there. They showed no partiality to any sport but encouraged each and every one.

Some of the cheerleaders activities included pep rallies, selling ribbons, and sometimes cheering at cold and rainy football games. They also cheered for basketball.

Over the summer the cheerleaders attended a camp sponsored by North Carolina State. They placed first in the spirit competition. Sabrina Peeler was chosen All-American Cheerleader.

They worked many hours during the summer and after school practicing for games and competition. They represented our school well.

Varsity-12 cheerleaders of 1987-88 are Kim Kluttz, Lee Pethel, Jennifer Melchor, Shannon Hess, Jamie Heilig, Adrienne Hancock, Jenny Stoner, Nicole Ayash, Kristin Ennis, Sabrina Peeler, Ginger Yarborough and Lori Honeycutt.

# Coach Corl Leads JV To Winning Season

This 1987-88 J.V. girls' basketball team worked together to be the best they could be. The team had luck behind them along with many injuries — Adreinne Davis with a broken finger and Traci Trimmer with her pulled muscles. They never sat out a game even though they were in pain. The J.V. girls only had one major defeat and that was against Central Cabarrus. To the 1987-88 J.V. team, congratulations!!!!!

Traci Trimmer and Karen Bost look toward the basket wondering if the shot will go in or not.

Before the game, Joy (#20) makes a basket while Paige (#30) and Karen (#34) stand under the basket waiting for a rebound. Dawn (#23) runs after the loose ball.

Jenny Campbell shoots one of her many baskets. Traci Trimmer and Adrienne Davis watch the ball go through the hoop.

Directly below the J.V. squad mingle with the Varsity-12 at camp. The J.V. cheerleaders all hope to be part of the V12 next year here at East.

Next: Chief Laura Deutsch and Co-Chief Shellie Cannon. They both worked hard during this season. Laura won two awards for leadership last summer.

The J.V. football and basketball teams received lots of support from the cheerleaders this year. The J.V. cheerleaders in return received lots of experience for their first year at East. The eight girls, who were sponsored by Miss Dawn Mills, sold ribbons, led the students in pep rallies, sponsored homecoming, cheered at cold football games and hot basketball games, but above all they always had spirit, win or lose.

To top off everything they attended camp this past summer at N.C. State. To everyone's surprise they returned with several awards; Best original cheer, Best original pom pom routine, several "yes we can" ribbons, one of several spirit sticks, and their chief, Laura, received two awards for leadership. But two awards not mentioned are the most important. Those are pride and admiration; that is, 'Tang pride and unanimous admiration!

Left, some of the J.V. pass time as they wait to compete at camp. Practicing an extension are: Laura on top, Toni and Joni as base while Christa stands by to smile!!!

The J.V. cheerleaders are: 1st row: Erin Cannon, Laura Deutsch, Leslie Cline; 2nd row: Shellie Cannon, Joni Heilig, Tesha Campbell, Christa Charleston, Toni Lowman.

# 1987 Cross Country Sprints For The Win!

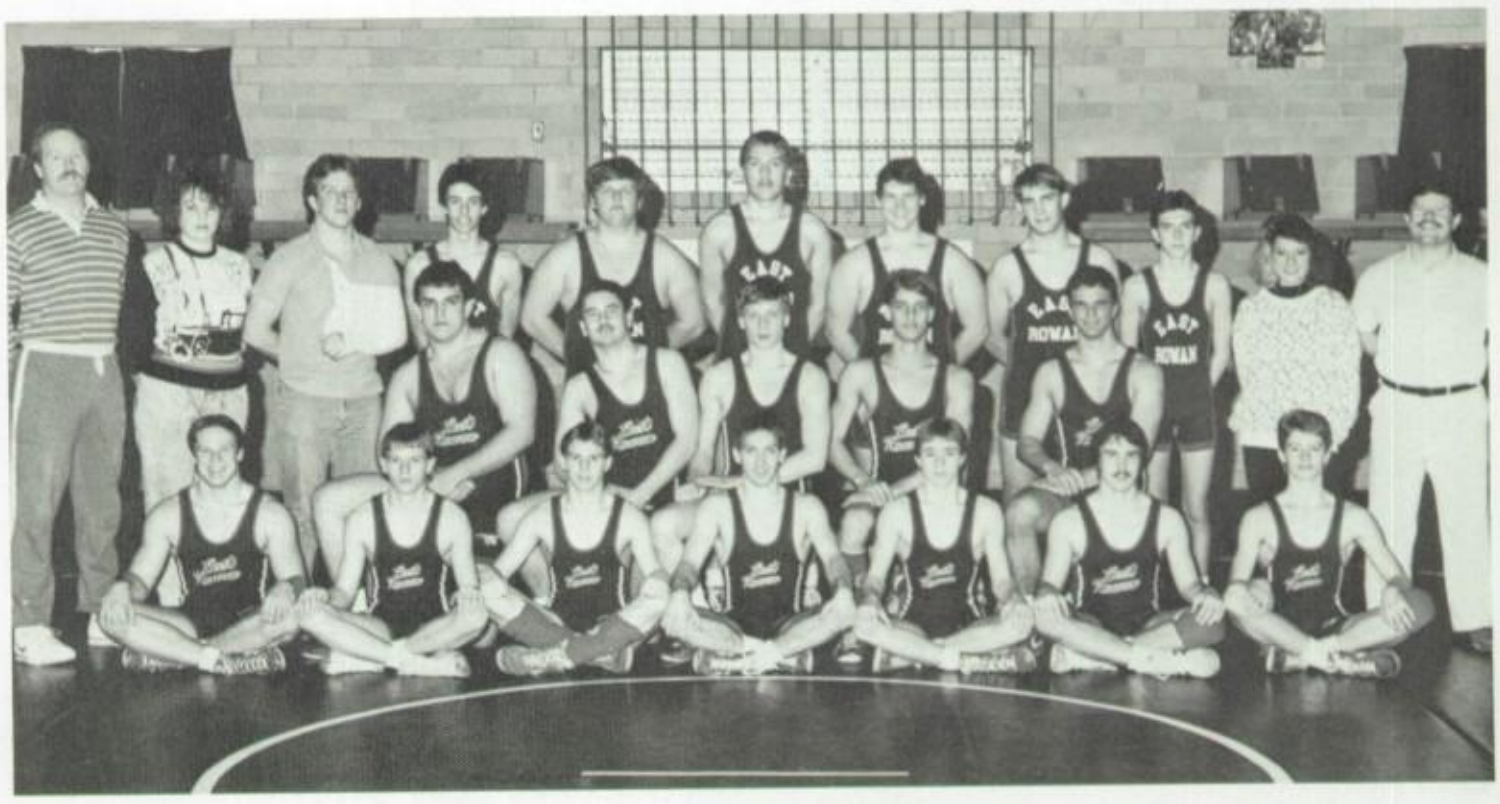
# Mat Men Have A

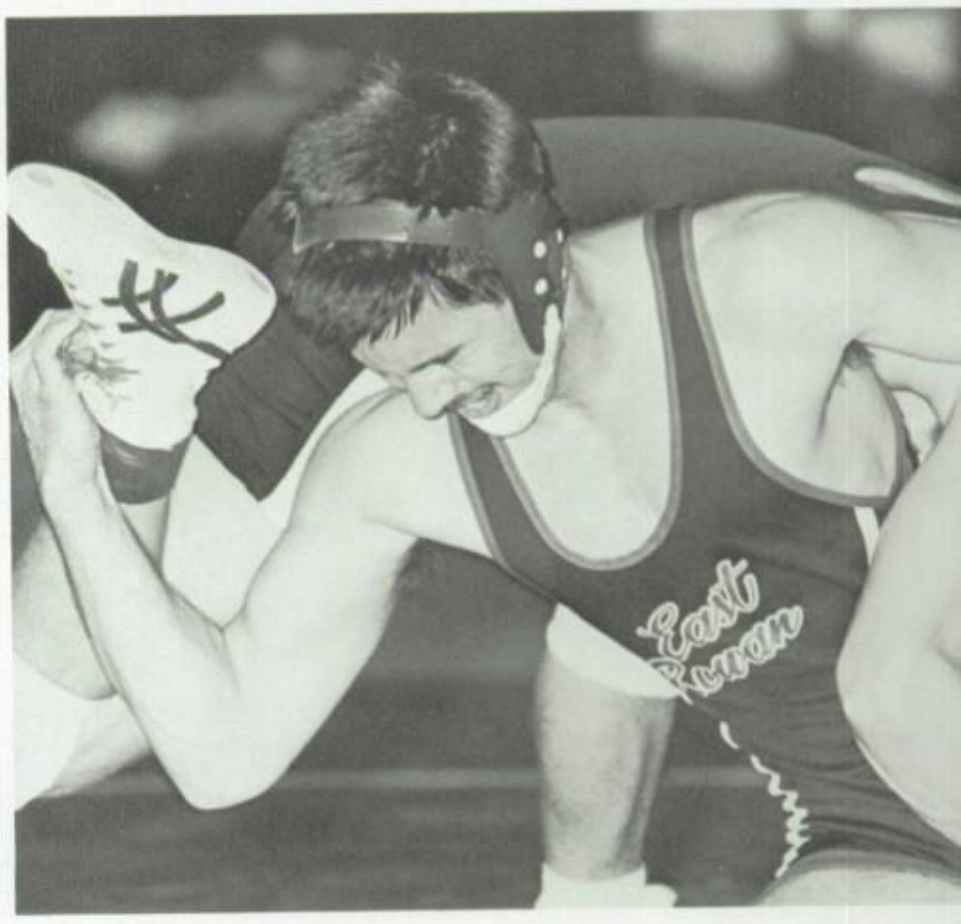
# Determined Young Team

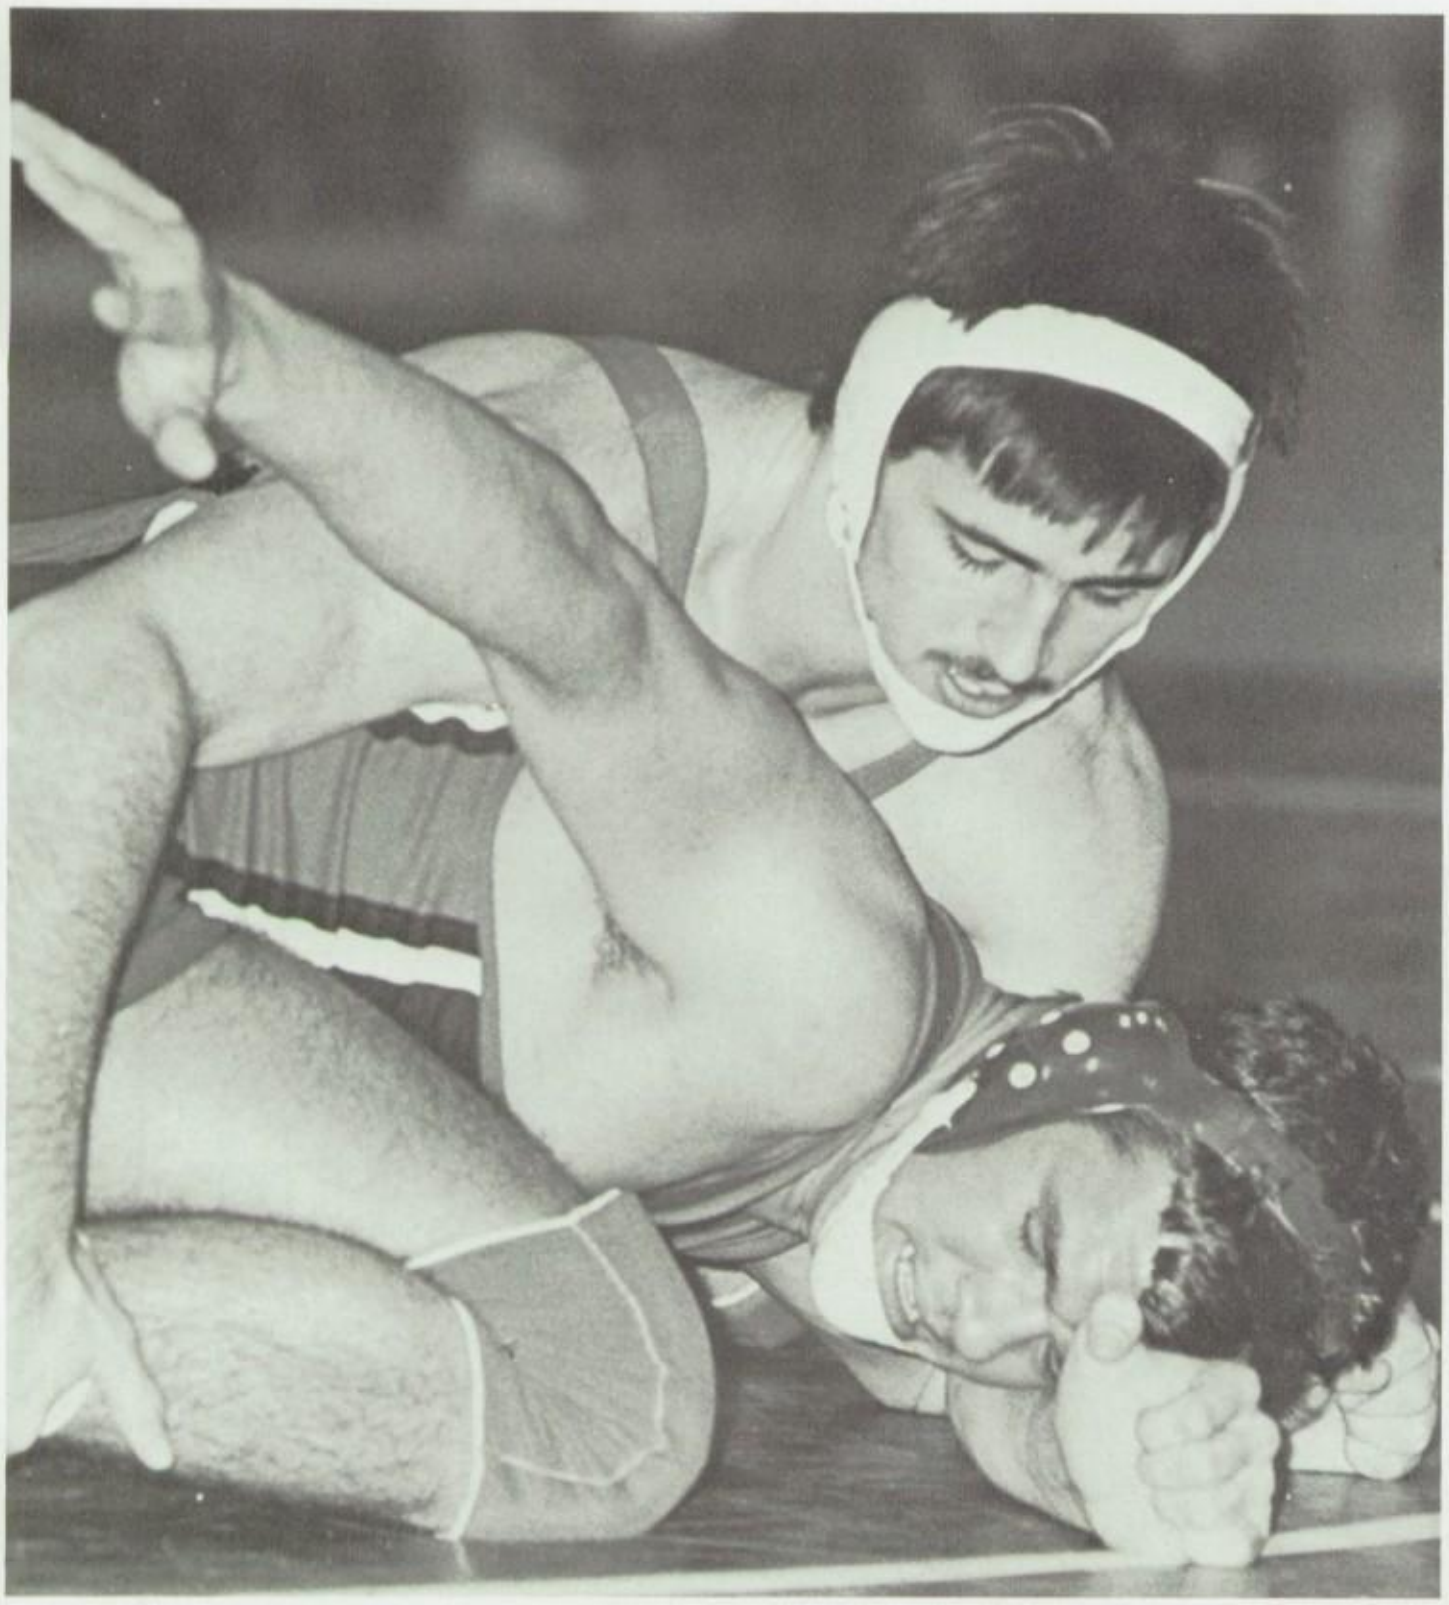
The Mustangs started out a great year with many new and old wrestlers. New and old both supported each other whether with actions or words. They always displayed good sportsmanship with either a win or a loss. The team fought hard all year to maintain an even record of six wins and six losses. Many outstanding wrestlers included Chad Koresko (18-9), Robin Goodman (23-6), Dwayne Lindsay (20-8), Jeff Bombadier (17-10), and John Brady (25-7).



The wrestling team consists of, *FIRST ROW:* Jeff Bombadier, Hugh McClenney, Robin Goodman, Mark Shue, Chad Koresko, Mike Williams, Alex Bostian. *SECOND ROW:* Kenneth Brown, Chad Moose, Wayne Chilson, Dwayne Lindsay, John Brady. *THIRD ROW:* Coach Mauldin, Maria Napier, Corey Hill, Pat Lynskey, Greg Safrit, Barry Kitley, Wade Safrit, Bobby Eddleman, Brian Loflin, Pam Shaver, and Coach Brown.

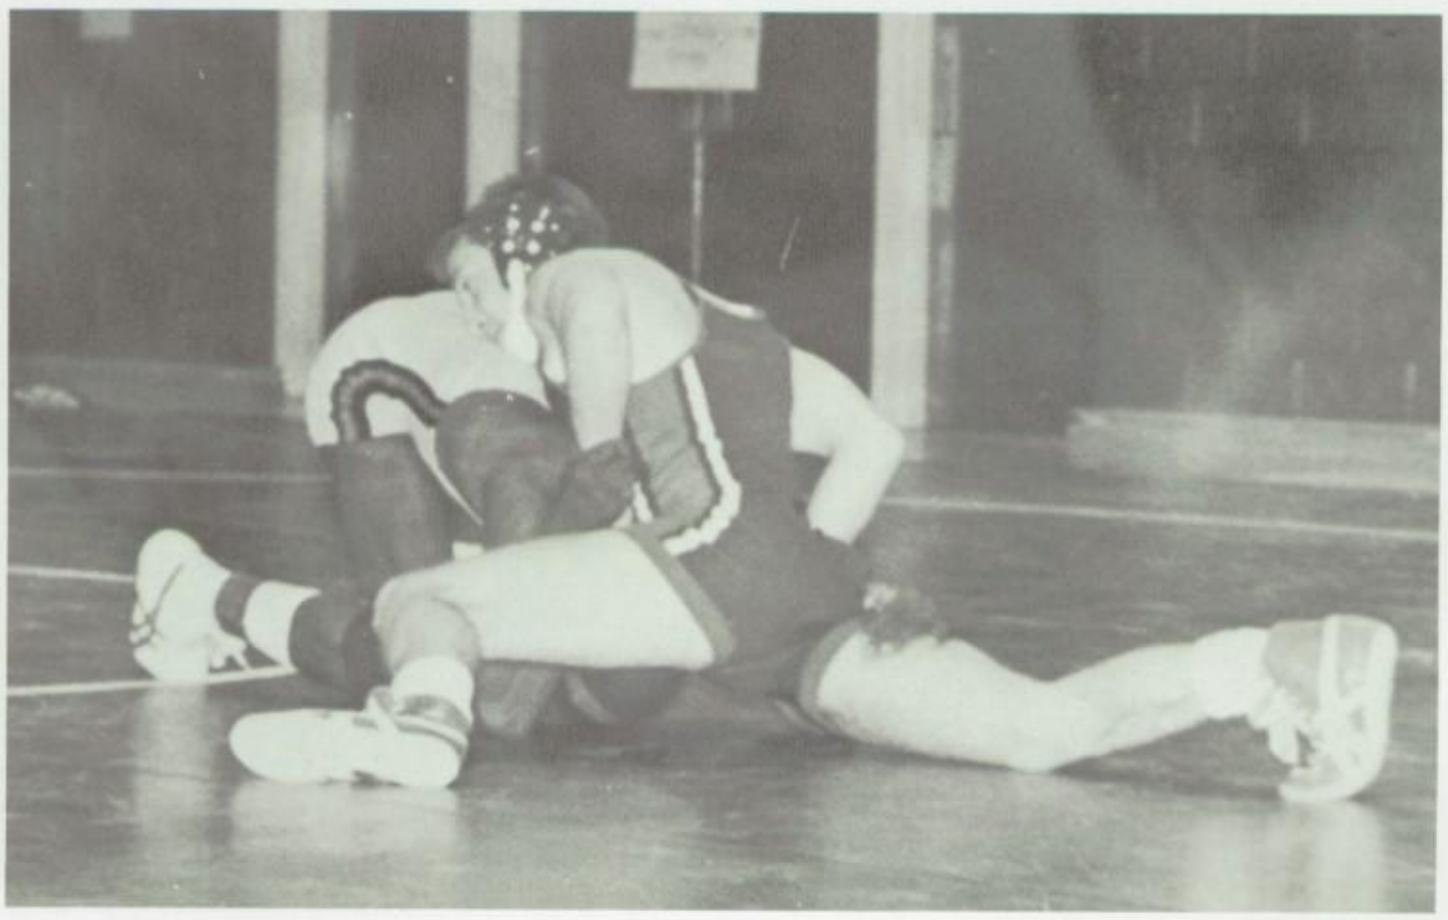
Varsity wrestler Chad Moose grimaces as he realizes the position he has got himself into.





Senior John Brady concentrates on how to overcome his South Rowan opponent.

Mark Shue sprawls to maintain his winning position against the Salisbury opponent.



# Mighty East Mustangs Deemed SPC Champs!

The Varsity team of 1988 started off by conquering Sun Valley High by a total of 38 points. Our victory continued and our spirit grew as we overcame Northwest Cabarrus twice. But when it came time to play West, not many people knew how it would turn out. The Mustangs reassured doubters and stomped the Falcons 55-39. Next Forest Hills and Central were bombarded with Mustang Might by East. The Concord game filled the bleachers with spirit. The cheerleaders were hardly heard over the crowd. Although Concord won by 1 pt. and tied with us for 1st, no one can change our fond memories of spirit and pride brought about by this year's team.

Below Brian White goes for a shot despite the long daring arms of one of Salisbury's players. Brian is the only sophomore on the Boy's Varsity Basektball team.

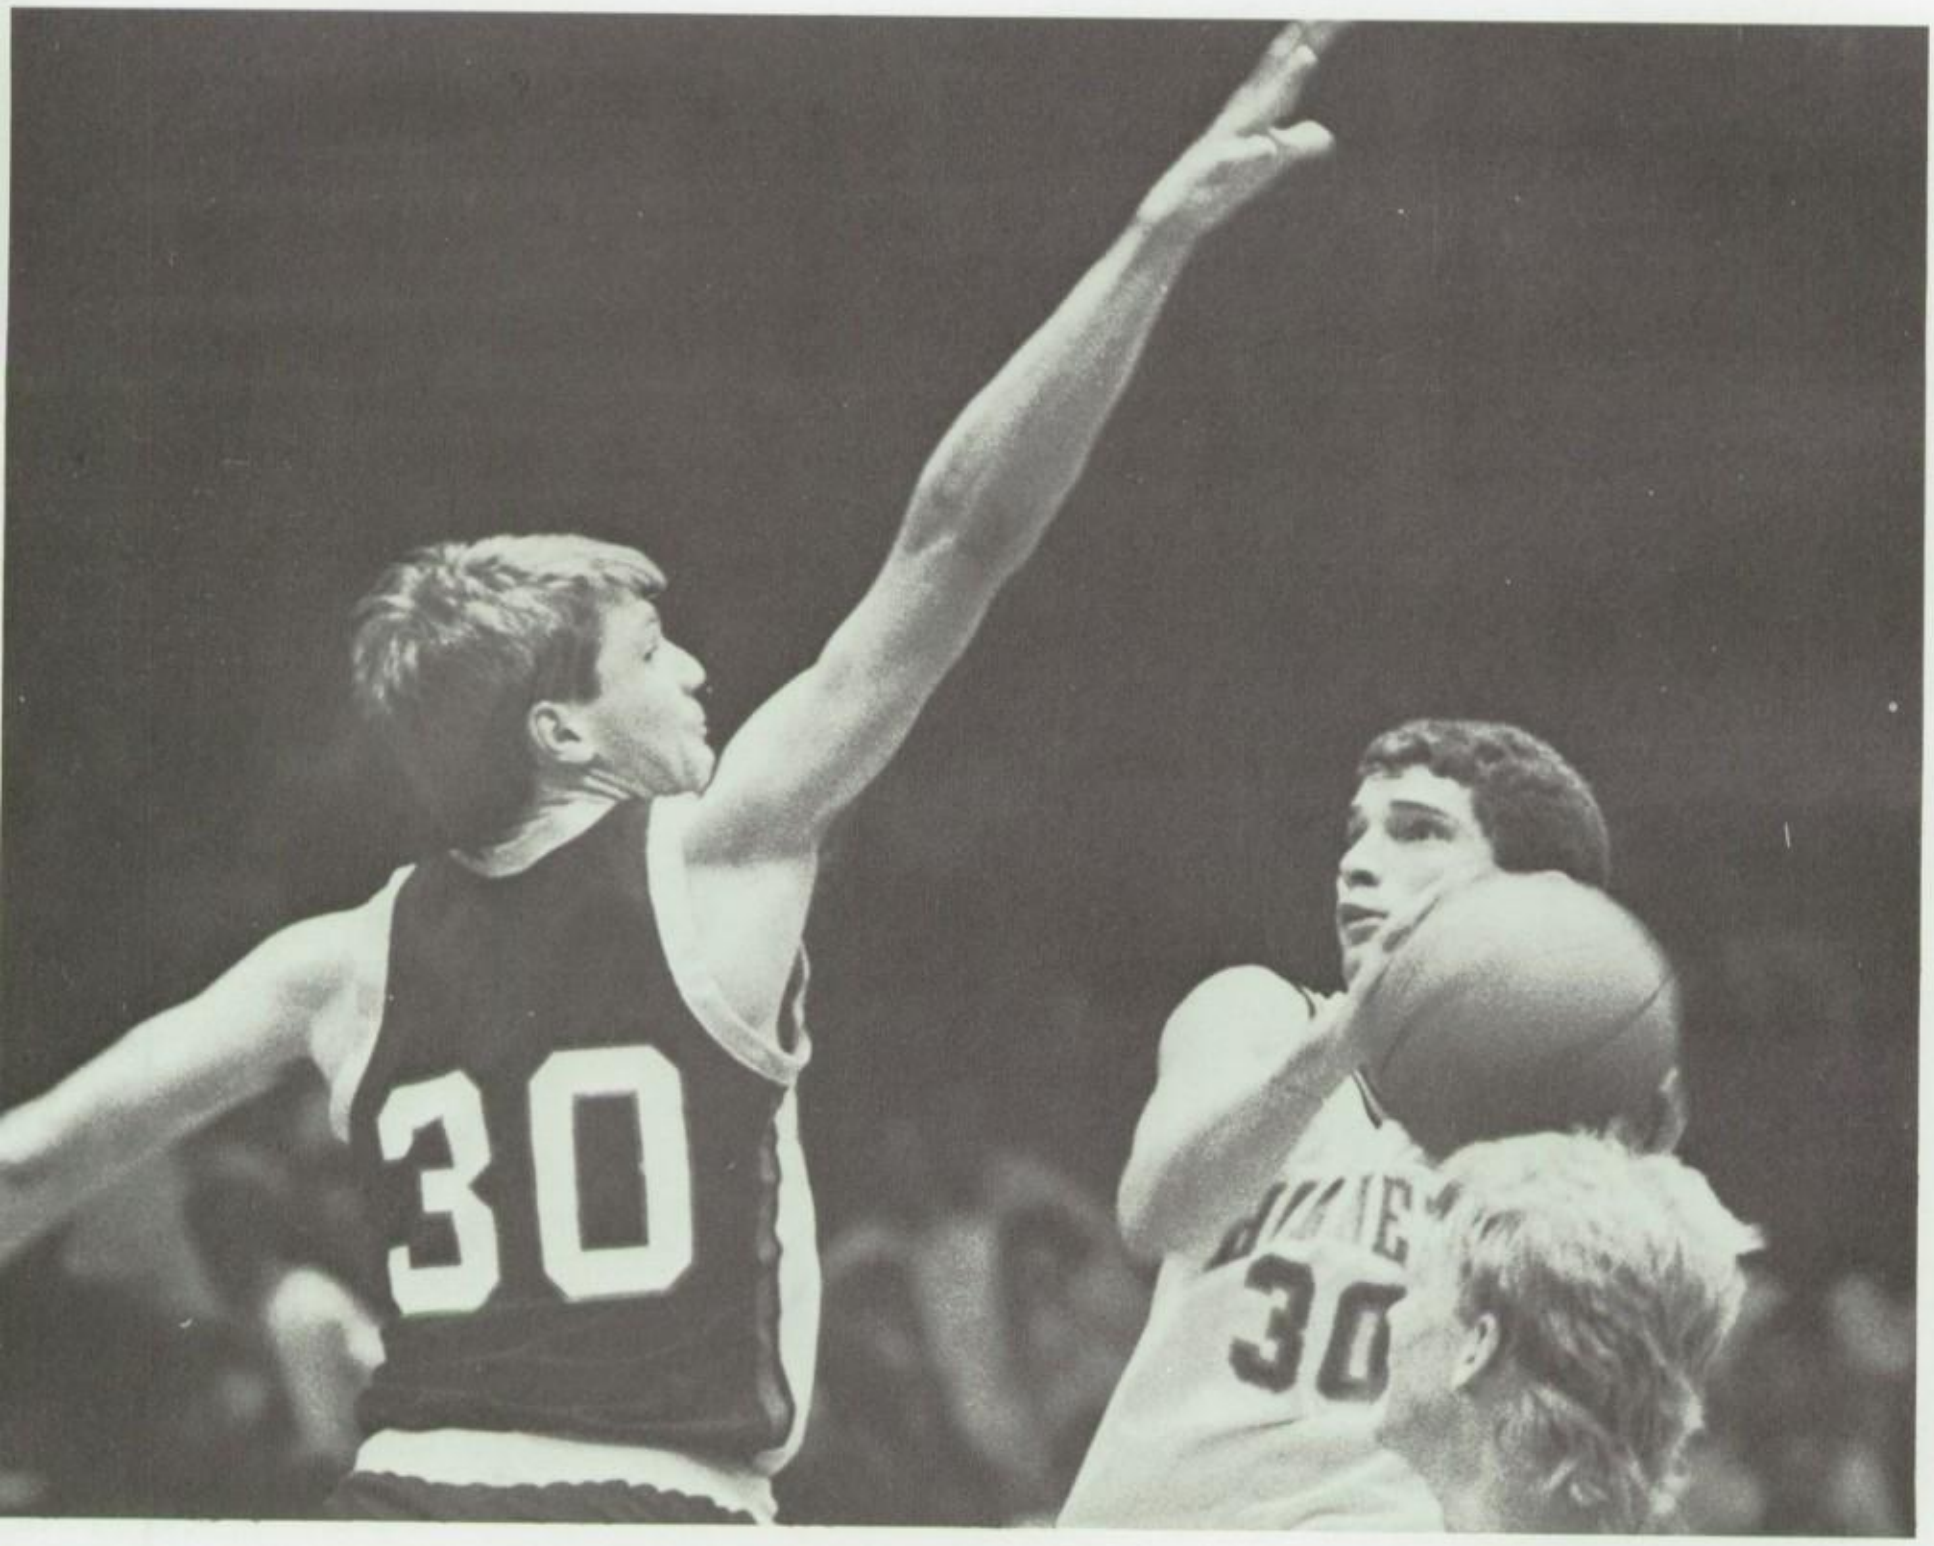
The Varsity Boys' Basketball team consists of: *1st row:* Jeff Park, Jon Huneycutt, Tim Morgan, Daniel Sifford, Steve Yang; *2nd row:* Mgr. Gina Basinger, Scott Clawson, Ashley Forbis, Brian White, Jon Bost, Tom File, Ryan McCorkle, and Mgr. Monica Miller. Thanks for everything guys!



Above Jon Bost leaps out at a "frightened" Salisbury player forbidding him to score. Jon Huneycutt keeps a close eye on the ball.

Left, Tim Morgan, extends a defensive arm which is always able to keep the South Rowan Raiders from scoring, and fortunately rejects yet another basket. Tim is a senior this year and although he won't be here next year the juniors and sophomores are sure to pick up on his quick moves (hopefully).

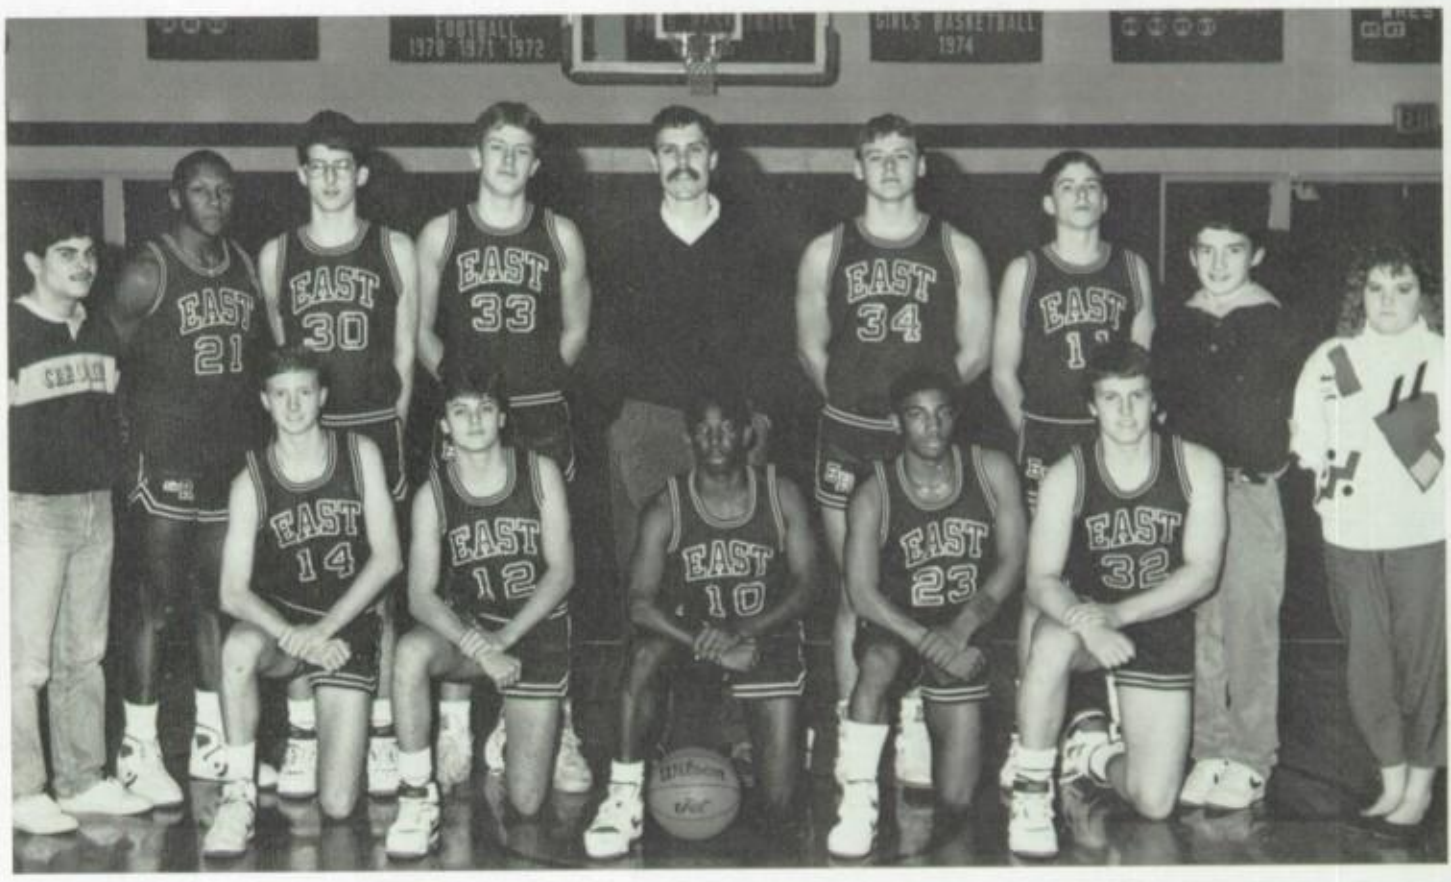
# JV Boys Win With Determination

The East Rowan JV boys' basketball team had a great season. We had a team we can all be proud of, and a coach that pushed them to their full potential. Brian White averaged 18 points per game before being moved up to varsity during the Christmas Tournament.

The JV boys showed determination and character. Even though the boys played well, they were defeated in four straight games by only one point each time. The guys pushed themselves hard at practice to win their next game against Central Cabarrus 60-45.

Chad Lefler (#14) steals the ball going down court for the easy lay-up, while Thomas Douglas (#21) watches to make sure the ball goes in.

J.V. Boys are: *First Row:* Chad Lefler, Wes Craig, Derick Allan, J.J. Davenport, Robbie Bean. *Second Row:* Matthew Lyerly, Thomas Douglas, Ernest Richie, George Almond, Mr. Mills, Trey Hudson, Andrew Welch, Jack Fortune, Susan House.



Andrew Welch (#11) and Thomas Douglas (#21) are ready to rebound as Chad Lefler (#14) shoots one of his many three-pointers.

# '87 Varsity Baseball Team Is Big Hit

The 1987 varsity baseball team fared well in light of a tough schedule which included many non-conference matches. Their overall record was 8-12, with a conference record of 5-7. In the Easter Tournament, East defeated North Rowan in the second game, but lost in the first and third games to South Iredell and Salisbury, respectively. They lost in the first round of the conference tournament to West Rowan, closing out the season. Among the team's outstanding players were Mike Pendergraft, who was chosen All-Conference Pitcher, and Mark Trexler, who took the county batting title with a batting average of .491.

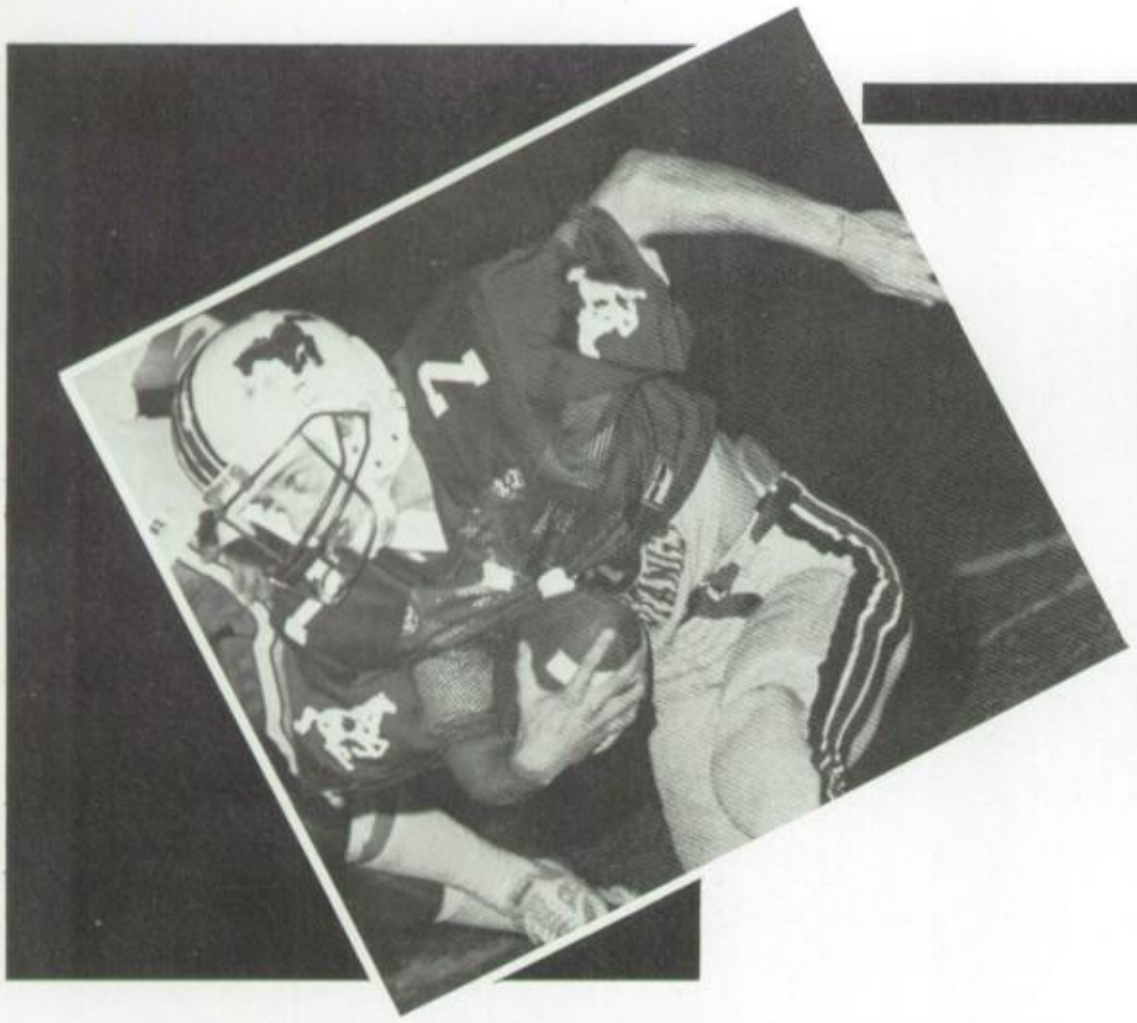
Our football team worked, strived, and succeeded in improving their record in a very competitive conference and are planning to improve it even more next year.

The cheerleader float that was in the Christmas parade was so well decorated that they won the award of "Best Depiction of the Theme."



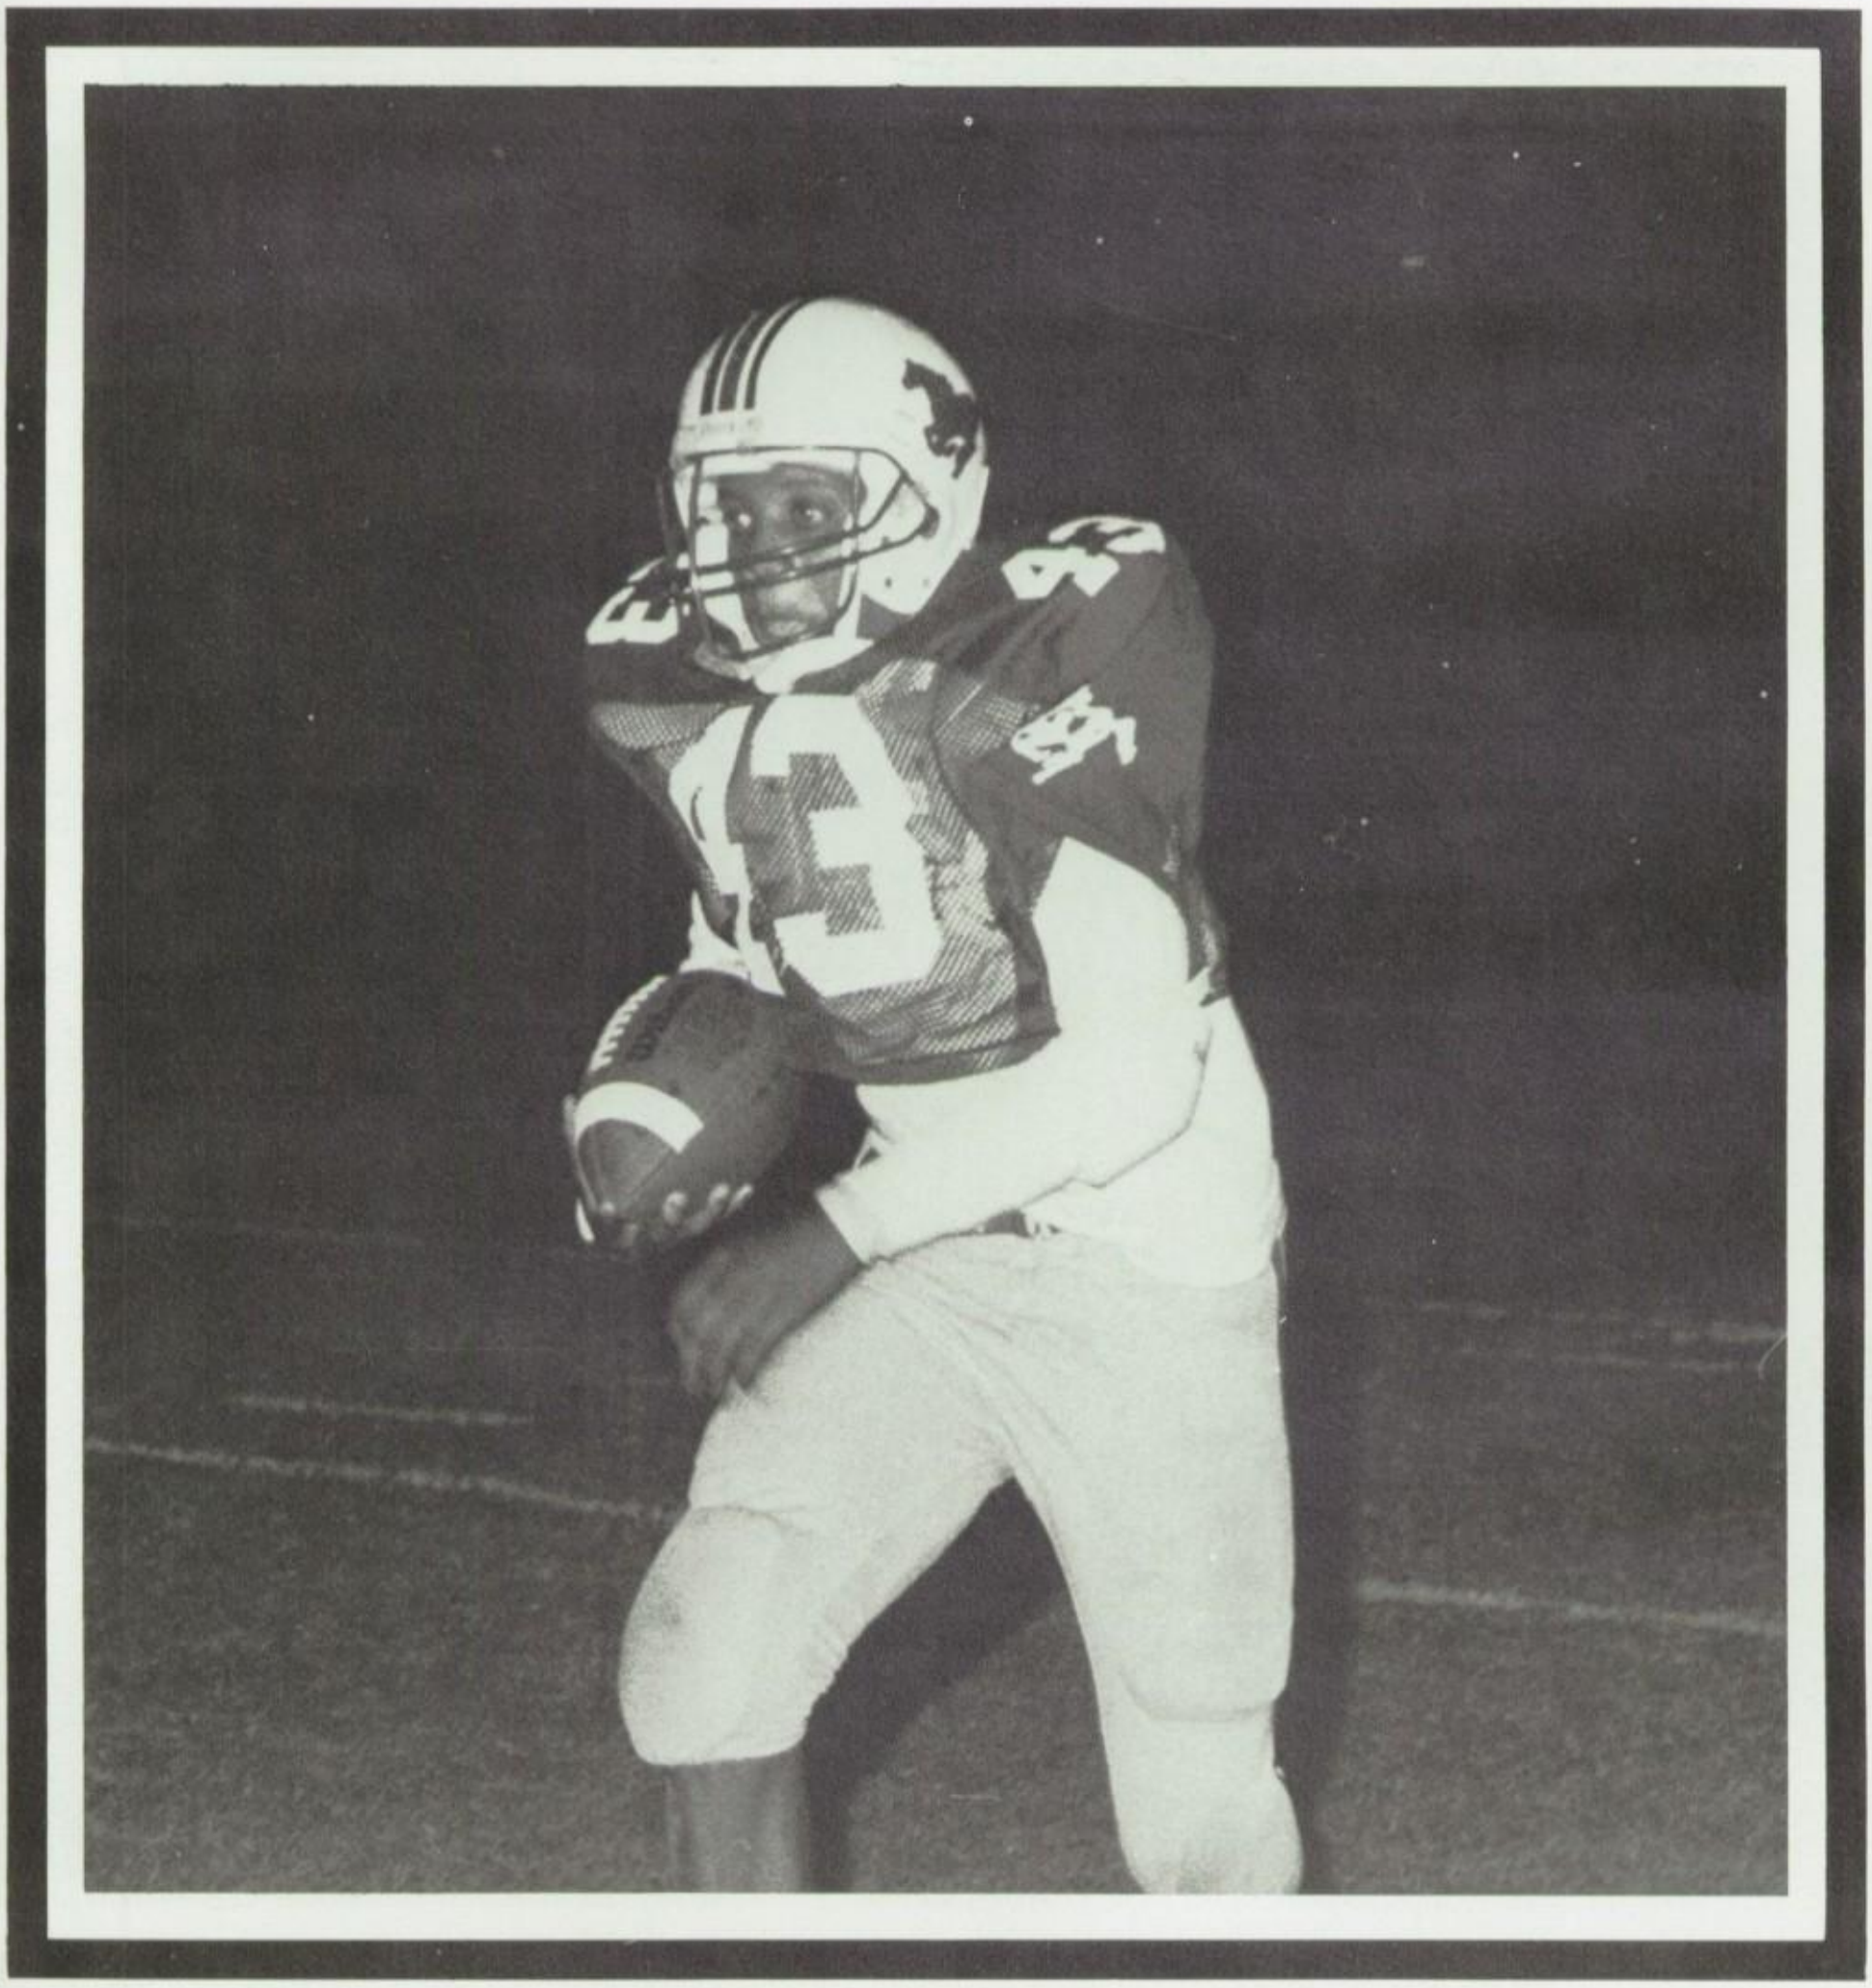
Running back Jeff Park runs the ball and keeps an eye on the defense.

Cheerleading takes long hours of practice, and these girls are showing how hard they work.

Playing doubles in her exhausting tennis practice, Lesley Fisher hits the ball with accuracy.

Showing off her running ability Cindy W. proves that guys aren't the only ones who can play football.

Leading her conference championship volleyball team, Sandy Basinger spikes the ball for East Rowan.



Athletics play an important role in all of our lives. Whether television, school, or other, they affect us and influence us. East possesses a special group of sports and athletes. Cross country, football, wrestling, basketball, track, tennis, baseball, and golf are sports that boys have to choose from, and girls have cross country, cheerleading, volleyball, tennis, basketball, track, and softball. Students who don't have experience or time to play for a team can play intramurals during lunch. Manager, statistician, and scorekeeper are all important jobs that benefit the coaches and the players. Athletics teach us teamwork, fellowship, and confidence. But the most important lesson it teaches is will-power and when it seems as if you've beaten-never give up!

The 1987-88 school year was filled with joys and sorrows. East Rowan was visited by many prestigious guests which teachers and students enjoyed. The seven-inch snow was welcomed even though it came right after Christmas break. As the seniors graduate, they should be proud of their senior year and their accomplishments. As the juniors and sophomores look forward to another school year, they should be anxious to do just as well. To the senior, we wish that they will have a wonderful time at the beach, a satisfying life, and many memories. To the juniors and sophomores, we wish an exciting summer filled with friends and the anticipation of going back to school. To all of you, we wish that this year's *Eastonian* captured all of 1987-88's memories and that it will be treasured in the years to come.
